INTRODUCTION

The Technical Lead Legal and Democratic Work Stream and Monitoring Officer (South Lakeland District Council) introduced herself and welcomed everyone to the first meeting of the Westmorland and Furness Joint Committee. She asked other officers present to introduce themselves when presenting their reports. She further advised all present on housekeeping matters. She also took the opportunity to update the Joint Committee on the replacement of Councillor Hazel Edwards from Barrow Borough Council with Councillor Les Hall and explained that this was in accordance with Section 16 of the Local Government and Housing Act 1989 and this had been assessed with due regard to the requirement for political balance. She asked Councillor Hall to confirm whether, having received less than five days' notice of the meeting, he felt that he had had sufficient time to consider all relevant information necessary to make decisions. Councillor Hall confirmed that this was the case.

W&F/2 APPOINTMENT OF CHAIR

RESOLVED – That Councillor Jonathan Brook be appointed Chair of the Westmorland and Furness Joint Committee for the remainder of 2021/22.

On taking the Chair, Councillor Jonathan Brook thanked Members for the opportunity and referred to the small but important part to be played by the Joint Committee in the journey towards the new Unitary Authority. He looked forward to working with the Joint Committee as it worked towards the next chapter. Councillor Jonathan Brook thanked officers and Members who had already been working hard to get to this point and who would continue to do so moving forward in to the future.

W&F/3 APOLOGIES

All Members were present, no apologies for absence having been received.

W&F/4 APPOINTMENT OF VICE-CHAIR

RESOLVED – That Councillor Ann Thomson be appointed Vice-Chair of the Westmorland and Furness Joint Committee for the remainder of 2021/22.

W&F/5 DECLARATIONS OF INTEREST

No declarations of interest were raised.

W&F/6 LOCAL GOVERNMENT ACT 1972 - EXCLUDED ITEMS

There were no excluded items on the Agenda, however, the Technical Lead Legal and Democratic Work Stream and Monitoring Officer (South Lakeland District Council) advised that, should Members wish at any stage to move into Part II, the usual rules applied.

W&F/7 TERMS OF REFERENCE AND PROCEDURAL RULES

The Head of Legal and Governance – Monitoring Officer (Barrow Borough Council) presented a report to which was attached Procedural Rules, incorporating the Terms of Reference, in relation to the operation of the Westmorland and Furness Joint Committee. The Terms of Reference had already been agreed by the sovereign Councils. The purpose of these was to ensure that there were clear rules around the operation and conduct of the Joint Committee so that Members were able to consider and determine matters in an effective way. The key elements included in the document reflected those proposed for the Cumberland Joint Committee. In the event that a decision was taken to hold meetings of the Joint Committee in different Council areas, the Procedural Rules would be updated accordingly.

RESOLVED - That the Procedural Rules, which incorporate the Terms of Reference as agreed by sovereign Councils, for the Westmorland and Furness Joint Committee, be endorsed.

W&F/8**FUTURE MEETINGS AND WORK PROGRAMME**

The Technical Lead Legal and Democratic Work Stream and Monitoring Officer (South Lakeland District Council) presented a report which set out the proposed meeting dates and venues for the newly-formed Westmorland and Furness Joint Committee which was due to meet approximately three times commencing in March 2022. The meetings were scheduled to take place in the District Council Chamber at Kendal Town Hall unless Members expressed a wish to rotate the venue.

The report further detailed the Membership of the Joint Committee and its key roles. The Committee would comprise twelve elected Members: this would include three County Council seats and nine District Council seats. The Technical Lead Legal and Democratic Work Stream and Monitoring Officer (South Lakeland District Council) reminded Members that Councillor Hazel Edwards (Barrow Borough Council) had been replaced by Councillor Les Hall. The report referred to the Joint Committee's Procedural Rules, including Terms of Reference, details of which had been outlined under Minute W&F/7 above. The report further referred to the Joint Committee's Work Programme of proposed business which was attached as Appendix 1 to the report and which had been published on all relevant Councils' websites. The Technical Lead Legal and Democratic Work Stream and Monitoring Officer (South Lakeland District Council) informed Members that there was a possibility that the report on the Scheme of Members' Allowances may be ready in time for the second meeting and so would be brought forward if finalised in time.

It was moved to hold the third meeting of the Joint Committee in Eden in the spirit of inclusivity for residents. Whilst some Members expressed support for this, particularly with regard to ensuring that all meetings were rotated from the outset and avoidance of a precedent being set by holding all three in Kendal, others raised concerns around travelling distances in light of Climate Change and also the cost to the Council Taxpayer. A new proposal was then moved and, on agreement of the meeting, it was decided that all three meetings would remain in Kendal.

Members were keen for the Implementation Plan and Programme Governance item be brought back before the Committee at its meeting on 10 May in order to see how this was evolving.

RESOLVED – That

- (1) the Joint Committee meeting dates, as set out in Section 3.5 of the report, be agreed;
- (2) the Joint Committee's Work Programme, as attached at Appendix 1 to the report, be approved; and
- (3) the Implementation Plan and Programme Governance item be brought back before the Joint Committee at its meeting on 10 May 2022.

W&F/9**FORMATION OF THE IMPLEMENTATION TEAM**

The Programme Director presented a report informing the Joint Committee about “the Implementation Team,” a single team of officers as required by Article 26 of the Cumbria (Structural Changes) Order 2022 (SCO).

The members of the Implementation Team were to be officers of the sovereign Councils, with the members of that Team appointing a leader of the Team, and the deputy leaders of the Implementation Team being an officer of one of the Cumberland Councils and an officer of one of the Westmorland and Furness Councils. There was a duty placed within the Order on sovereign Councils to co-operate in the formation of the Implementation Team and to release the officers concerned from their normal duties to assist in the work as reasonably required by Joint Committees or Shadow Authorities, as well as a general duty to consult and co-operate with one another and the Shadow Authorities.

Since the announcement in July 2021, and prior to this Joint Committee having been stood up, preparations had commenced to enable the smooth operation of the two new Councils from Vesting Day, key details of which were provided within the report.

Diagrams illustrating the officer programme structure and governance that had been established to deliver the Local Government Reorganisation (LGR) Programme were set out at Appendix 2 to the report. Work to move to the two new Councils had been organised into six thematic areas: People; Place; Corporate/Enabling Services; ICT; Customer and Digital; and Finance.

The design and delivery of the LGR Programme was being overseen by a Chief Executive/senior officer Board (the LGR Programme Board), chaired by the Senior Responsible Officer(s). LGR Programme Board membership included all Chief Executives of the sovereign authorities, the Chairs of the thematic groups (where these were not Chief Executives); the Programme Finance Lead (and Section 151 Officer); and the Programme Director. In due course, once Interim Heads of Paid Service had been appointed by the Shadow Authorities, it was intended that they would also join the Board.

In terms of meeting the requirements of the SCO, the LGR Programme Board, described above would be “the Implementation Team”. They would be supported in this role by the Programme Management Team and Programme Management Office that had been established, together with the officers of all seven sovereign Councils involved in the arrangements described above and supplemented by the capacity available via the Strategic Partner arrangement where appropriate.

In terms of the (Senior Responsible Officer) SRO arrangements, the programme had operated a three-way joint SRO approach since December 2021 which had served the programme well. For continuity in the next phase of the programme, this arrangement was to be extended, and the SCO leadership requirements, (for a team leader and two deputies, one from the Cumberland

Councils and one from the Westmorland and Furness Councils), would be discharged by the three SROs continuing to work together. This arrangement would operate until such time as it was reviewed; following the appointment of the two Interim Heads of Paid Service, and the Chief Executive of the County Council would also be in post. It would be appropriate to reflect the roles of Interim Head of Paid Service (and subsequently the Heads of Paid Service) in the leadership of the Implementation Team, and it was the intention to bring a report to the first meeting of the Shadow Authorities in this regard.

RESOLVED – That the arrangements for the formation of a single team of officers (“the Implementation Team”) as required by Article 26 of the Cumbria (Structural Changes) Order 2022, as set out at paragraphs 3.6-3.8 of the report and above, be agreed.

W&F/10 IMPLEMENTATION PLAN AND PROGRAMME GOVERNANCE

The Programme Director presented a report informing Members about the Implementation Plan and Programme Governance that had been developed by officers of the County Council, the Cumberland councils and the Westmorland and Furness councils, to ensure an effective transition to the new unitary councils for Cumberland and Westmorland and Furness on Vesting Day, 1 April 2023.

The high level approach to implementation was set out in Appendix 1 to the report and set out the Vision for Cumbria and the Ambition and Values to guide the implementation approach. This included Organisational Design principles and these would underpin the work ongoing around the future design of services. It was proposed that this be adopted as the Implementation Plan as it was now, noting that it would develop over time, particularly on the establishment of the shadow authorities and the appointment of the Interim Heads of Paid Service. A summary of the Implementation Plan, as now, and programme governance (including funding for the delivery of the Implementation Plan) was provided within the report.

Since the announcement in July, and prior to this Committee having been stood up, preparations had commenced to enable the smooth operation of the two new Councils from Vesting day. This had included the establishment of a joint LGR Implementation Reserve that was being hosted by the County Council.

Democratic and programme governance arrangements were in place to oversee the transition to the two new Councils on 1 April 2023 and to ensure that they could operate safe and legally from Day 1.

In respect of officer level programme governance, the LGR programme was being overseen by an LGR Programme Board, with membership from the most senior levels of representation from sovereign councils. In addition, six thematic boards had been established with a series of workstreams/work packages in each. They involve senior representatives and subject matter experts to oversee the work involved in setting up the two new Councils.

In respect of Cumbria Fire and Rescue service, the Government's intention was that the Fire Service should continue on a county basis, with two potential options to achieve this. The first was for the functions to be transferred to the Police and Crime Commissioner for Cumbria by Order made under Section 4A of the Fire and Rescue services Act 2004, should the Secretary of State be satisfied that the relevant statutory tests were met. The second option was for the Secretary of State to create a new combined fire and rescue service. The second option would be developed through the Cumbria Fire and Rescue Service Board, in a piece of work that was aligned to the LGR Programme.

The organisational design principles outlined in the Implementation Plan and design process would be used to develop the blueprints for service delivery with the starting point of disaggregation and integration into two separate Councils, unless there was a compelling reason not to do so.

As part of the Implementation Plan, a high level timeline and critical path had been established and this would be kept under review and would develop further as the programme progressed.

In addition to the Implementation Plan, Appendix 2 to the report presented the approach to facilitate the transition to the respective new single tiers of local government and the Cumbria Fire and Rescue Service the transfer of the District and County Councils' functions, property, rights and liabilities. These would facilitate the economic, effective, efficient and timely transfer to the Westmorland and Furness and Cumberland Council of such of its functions, property, rights and liabilities as related to those Councils and their inhabitants. It would also enable Shadow authorities to prepare revenue and capital budgets, Medium Term Financial Plans and associated Policies and procedures.

Appendix 2 to the report also presented the high level principles for the disaggregation and aggregation of the balance sheet and revenue accounts of the sovereign Councils and the governance for approval of the principles to ensure two financially sustainable Unitary Councils and the Cumbria Fire and Rescue service were established. Statutory and accounting regulations would be primary to delivering the transfer of property, rights and liabilities to ensure delivery of the blueprint options for service delivery along with the general matching principle for assets and liabilities.

The Director of Finance (Section 151 Officer), Cumbria County Council (Programme Finance Lead) provided further details on the financial aspects of the Programme.

The majority of functions, assets and liabilities would be identified and disaggregated or aggregated to the Unitary Authorities by 31 March 2023. There could be some liabilities that could only be fully quantified as at 31 March 2023. The process of preparation and audit of the 2022/23 accounts for each authority after 1 April 2023 would identify these final balances. Statute allows for a caretaking authority approach to manage residual matters if required.

The funding available to the two new Unitary Councils and the Cumbria Fire and Rescue Service was constrained by the existing funding received by the predecessor authorities uplifted only for changes in National Funding allocations and local decision making on Council Tax, Business rates and fees and charges.

A single LGR Implementation Reserve had been created with Cumbria County Council acting as the host authority. A Memorandum of Understanding had been agreed by all Councils in respect of the use of and governance for decision making for the reserve. The purpose of the Reserve was to support delivery of the Implementation Plan, including the Implementation Team. The Reserve would not be used to support Transformation and Investment costs nor any redundancy costs associated with LGR in Cumbria. Contributions to the Reserve had been made by all seven Councils at the same time to an initial total value of £18,920,000. Initial allocations from the Reserve to the different activities for the Implementation Programme had been approved by the Programme Board, including an allowance for contingencies. If any balances remained in the Reserve once the Implementation Plan had been delivered, the balance would be shared 50/50 with the two new Unitary Councils.

Further clarity was sought on the role and process around the blueprints and the need for Member involvement in agreeing these was raised. A query was raised with regard to the involvement of members in the selection of options for each service, and as to how the blueprints would be approved and by whom. It was further queried as to how Members would be kept up to speed, particularly as some Members did not have experience of all services. The timeline referred to decisions in May and to blueprints being adopted in July, however, there was no Shadow Authority meeting planned between May and August, which led to the question of who would be approving those plans. Reassurance was sought that the Programme Director would bring this item back to the next meeting of the Joint Committee with an update on these issues.

The Programme Director explained that, in terms of the process around blueprints, there had been involvement of Members through the Cumbria Leaders Oversight Forum, and that the timeline involved the preparation of draft blueprints by May for discussion and consideration in Shadow Authorities once established over the summer period. She would clarify the possible dates for consideration/adoption of blueprints by the Shadow Authority with Monitoring Officers and pointed out that, subject to the Constitutions adopted, this could be a matter for the Executive, Scrutiny and Full Council consideration. The blueprint was envisaged as a working document at a high level and that there would need to be an ability to set a point at which further planning and delivery could be undertaken. This piece of work would then go into the budget cycle because one of the requirements was to establish opening balance sheet positions for day one and there needed to be some agreed assumptions about what services would look like in broad terms. In terms of member training, there was appreciation of the issues for Members, many of whom would be coming into this new in terms of unitary responsibilities, and there was a programme of

work in terms of induction and training. In terms of a report back to a future meeting, this could be provided by circulation, orally or via the report to the Joint Committee's May meeting. The Technical Lead Legal and Democratic Work Stream and Monitoring Officer (South Lakeland District Council) added that the Shadow Authority had responsibility to keep under review the implementation plan and that the blueprints were part of that plan and directly linked. She pointed out that there was flexibility within the draft schedule of meetings if required. Concern remained regarding an apparent lack of Member involvement and the importance of providing improved services for residents and either a verbal or written update was sought. The Chairman agreed that it was critical that Members of the Shadow Authority had an opportunity to shape and sign off blue prints for future service delivery and needed to be sure that they had appropriate oversight for that. The Programme Director fully envisaged that, in terms of oversight, Members would be involved over the summer period in considering the draft blueprint and deciding upon that as a working document and reassured them that this would be a matter for them when the Shadow Authorities took up their roles.

Reference was made to the Government's intention that the Cumbria Fire and Rescue Service should continue on a county basis with two potential options to achieve this. Concern was expressed in this regard as it was felt that the options were closed down already. Reassurance was sought that all of the options for the Fire Service would be considered and the need to retain the excellent service currently provided in Cumbria was stressed. The Programme Director explained that, because of the timescales and other factors surrounding the LGR Programme, the Structural Changes Order and explanatory notes made it clear that the Government's preference was for transfer of the service to the Police and Crime Commissioner (PCC) or for a combined fire and rescue service. This was a complicated process and she stressed the need at the end of the process for two sustainable unitary authorities, as well as a fire and rescue service. The Executive Director – Corporate, Customer and Community Services and Acting Deputy Chief Executive, Cumbria County Council added that the fire service was very important to the County and very well integrated into county functions. She informed Members that there had been a programme for some time in anticipation of the PCC progressing with consultation on a Business Case, and that the outcome of the PCC consultation was awaited. Given the timescale with LGR, the County had been preparing for the potential for other options, as Members had highlighted. As an aligned programme, that work would continue and would evolve as and when there was clarity on the PCC position and when the options that had been outlined were considered. That work would take place alongside the LGR programme and there were key dependencies because of the level of integration with the CCC functions. Members acknowledged the Government's preferred option, however, drew attention to the fact that this did not have to happen, explaining that the decision that may be taken could be unaffordable, and they stressed the need to keep a watch on this particular aspect of LGR, which was of great importance to residents. The Programme Director undertook to ensure that the issue was reflected within the next iteration of the Implementation Plan. In response to a query, the Executive

Director – Corporate, Customer and Community Services and Acting Deputy Chief Executive, Cumbria County Council informed Members that if the PCC decided to submit a business case, then this would be a matter for the Home Secretary, with the expectation that there would be a decision in this summer. She added that there would need to be consideration of the consultation responses and that the County Council's response was critical in this regard. She confirmed that she would provide written clarification on this process to all Members of the Joint Committee.

The commitment within the Implementation Approach and Values to using principles of co-design and production and, again, the need for Member involvement was stressed.

An update was sought on how the £18.92m contributed by sovereign councils to the LGR programme was being spent. The Director of Finance (Section 151 Officer), Cumbria County Council (Programme Finance Lead) explained that, in terms of the commitment to date, £3.2m had been committed. A monitoring report was taken to the Programme Board on a monthly basis and it was proposed to share this report with Members of the Joint Committee. Actual spend was currently £340,000. All contributions had been received and Cumbria County Council was hosting the reserve. Details on how the money was going to be spent would be included within the monitoring report, and there would be a separate piece of work around benefits realisation. As regards who administered requests for the funding and reimbursement of sovereign councils, she explained that, working with Monitoring Officers and Chief Finance Officers from across the County a Memorandum of Understanding had been agreed that set out the levels of delegated authority required to approve spend. She suggested that this could be shared with Members.

RESOLVED - That

(1) the Implementation Plan attached at Appendix 1 to the report be adopted, pending the establishment of the two Shadow Authorities in May 2022; and

(2) the programme governance and associated funding for the Implementation Plan be noted.

W&F/11

MEMBERS' ALLOWANCES - UPDATE AND PROGRESS

The Monitoring Officer (Eden District Council) presented a report which provided an update on the work which had been undertaken in relation to the preparation of a Scheme of Members' Allowances for the Shadow Authority for Westmorland and Furness, including the setting up of an Independent Remuneration Panel (IRP). It was one of the functions of the Joint Committee to recommend a scheme of allowances to the first meeting of the Shadow Authority for Westmorland and Furness.

In order to ensure that the IRP could complete its work in a comprehensive and timely manner with the outcome of producing recommendations prior to the first meeting of the Shadow Authorities, a number of pragmatic steps using the inherent authority contained with the Cumbria (Structure Changes) Order 2022 had been proposed and were being followed.

An IRP for Local Government Reorganisation (LGR) purposes had been formed with six members drawn from the IRPs representing the seven authorities. This IRP had been asked to prepare recommendations for both the Shadow Authority for Cumberland and the Shadow Authority for Westmorland and Furness and had been provided with a briefing pack. The first meeting of the IRP had taken place on 23 February 2022 and a schedule of further meetings had been agreed, with finalisation of a proposed Scheme due to take place on 28 March 2022. A report with the recommendations of the IRP and proposals for the Members' Allowance Scheme for the Shadow Authorities would then be prepared for the Joint Committees to assist them in making recommendations to the first meetings of the Shadow Authorities. It was anticipated that this report would be presented to third meeting of the Joint Committee, however, the Monitoring Officer (Eden District Council) explained that it was likely that the report may be ready for inclusion on the Agenda for the second meeting.

The Joint Committee was further informed of proposals for members of the IRP to be paid expenses and attention drawn to the fact that there would, in due course, be a reconvening of an LGR IRP for consideration and formulation of proposals for payment of allowances to Members of the new unitary authorities.

In response to a query, the Monitoring Officer (Eden District Council) explained that this Panel was currently preparing a Scheme of Members' Allowances for the Shadow Authorities only, however, that it was anticipated that the Panel would be asked to reconvene in order to prepare a Scheme of Members' Allowances for the new Unitary Authorities, to commence on Vesting Day.

RESOLVED – That the contents of the report be noted and the proposals in relation to the formation and work of the Independent Remuneration Panel be endorsed.

**W&F/12 POTENTIAL SHADOW MEETINGS DATES 2022/23 FOR THE SHADOW
AUTHORITY FOR WESTMORLAND AND FURNESS**

The Technical Lead Legal and Democratic Work Stream and Monitoring Officer (South Lakeland District Council) presented a report to which was attached a calendar identifying potential dates for meetings of the Shadow Authority from May 2022 to April 2023 which would not clash with scheduled meetings of the sovereign authorities in the Westmorland and Furness locality or those proposed for the Cumberland Shadow Authority or Executive.

In presenting the report, the Technical Lead Legal and Democratic Work Stream and Monitoring Officer (South Lakeland District Council) acknowledged the conversation at Minute W&F/10 above and the need for flexibility as the

blueprints for the new Authority progressed. She also drew attention to proposals to rotate the shadow meetings across all areas where possible. She thanked the Cumbrian Democratic Services Officers for their work in producing this draft schedule which had been aligned with their sovereign council calendars.

Concern was expressed regarding the high level timeline relating to the delivery of the unitary authorities in which the date for adoption of draft blueprints was shown in July and the fact that there was no Shadow Authority meeting shown in the draft calendar in that month. The Programme Director indicated that the blueprints could be presented to the 1 August meeting. There remained, however, concern regarding the amount of involvement that Members would have in the development of the blueprints bearing in mind the tight timescales. The Technical Lead Legal and Democratic Work Stream and Monitoring Officer (South Lakeland District Council) suggested that these comments be taken away from the meeting, pointing out that officers were due to examine the Forward Plan for the Shadow Executive and that if the need to alter the calendar became apparent then the draft Schedule of Meetings could be brought back to a future meeting of the Joint Committee.

The need for the implementation plan to be clearly mapped out onto the draft Schedule of Meetings was also raised. The Chairman explained that it was his understanding that the Forward Plan would include this information. It was further felt to be of importance that clarity was provided on the decision making process and the Technical Lead Legal and Democratic Work Stream and Monitoring Officer (South Lakeland District Council) explained that the draft Constitution was due to be presented to the next meeting of the Joint Committee and would help provide clarification on this. The Director of Finance (Section 151 Officer), Cumbria County Council (Programme Finance Lead) provided reassurance, referring to the high level timeline and pointing out that decisions would be taken not only by Council, but also by Cabinet and some potentially by task and finish groups. The usual strategic planning cycle would be followed, officers working with Members to develop priorities and options. She stressed that a lot of work was being carried out in order to bring everything together.

Concern was raised at meetings being held during a peak holiday period when attendance by Members was likely to be low due to pressure on families for childcare and taking holidays. The need for inclusivity and ensuring that Members with families could participate was stressed.

The Technical Lead Legal and Democratic Work Stream and Monitoring Officer (South Lakeland District Council) responded to a query regarding what was going to be devolved down to local committees, informing Members that the focus was currently on the Shadow Authority Constitution, however, that once this was finalised, work would be carried out by Monitoring Officers in terms of the shape of delegations for the new authorities and how services were delivered in communities. Members questioned where discussion on the overall structure was taking place and the Chief Executive, Barrow Borough Council

(SRO-Westmorland and Furness Councils) explained that although this was a Member-driven process, they would not become involved until 5 May 2022. Their current role as Members of their sovereign authorities was to ensure that the services that they delivered, including their assets and liabilities, were delivered into the new authorities. Once Members were elected to the Shadow Authorities, they would examine the operating model and service centres and how these could be improved for residents. In the meantime, work in this regard was being carried out by the Implementation Team, with oversight from the Cumbria Leader Oversight Forum (CLOF). She pointed out that the Shadow Authorities had a statutory duty to deliver all services and would make the decisions regarding the model. The Chairman suggested that consideration of this matter should take place at a future meeting of CLOF so that further reassurance could be provided to Members. The need for early consideration of the blueprint was again stressed and it was suggested that the Leaders of the sovereign councils were included in discussions.

RESOLVED – That the Westmorland and Furness Shadow Authority be recommended to:-

- (1) agree the Schedule of Meetings for 2022/2023 for the Shadow Authority for Westmorland and Furness, attached as Appendix 1 to the report;
- (2) note that the inaugural meeting of the Shadow Authority is 2.30 p.m. on 17 May 2022 and agree that the start time for subsequent Shadow Authority for Westmorland and Furness meetings is 10.00 a.m. (1 August 2022, 17 October 2022 and 15 February 2023);
- (3) agree that, where practicable, the meetings are rotated across the area; and
- (4) consider whether any additional meetings may be required that may have been overlooked.

W&F/13 INTERIM STATUTORY OFFICER RECRUITMENT

Note – Due to potential conflicts of interest, incumbent Chief Executives, Monitoring Officers, Chief Finance Officers, Senior Responsible Officers and the Executive Director - Corporate, Customer and Community Services and Acting Deputy Chief Executive (Cumbria County Council) left the Chamber for the remainder of the meeting. Those officers who remained in the Chamber were the Technical Lead OD&HR Work Stream, LGR Programme Director, the Acting Head of Legal and Democratic Services (Cumbria County Council) and the two Legal, Governance and Democracy Specialists supporting the meeting.

Members having raised a wish to move into Part II to consider this item, the Chairman suggested the need for transparency where possible. He suggested, therefore, that the presentation be initially made and to see how discussion moved forward and to move into Part II only if necessary.

The Technical Lead OD&HR Work Stream, LGR Programme, tabled revised recommendations to the report which were contained in a note which had been circulated to Members prior to the meeting and which was presented to Members at the meeting.

The revised recommendation to the report was at 2.2 which proposed an amendment in the following terms:-

2.2 The Joint Committee to accept one nomination from each of the member councils to act as interview panel Members and agree that membership of the Panel, with the other two Members of each member council being named substitutes in the event that the main nominee is unable to attend.

The Technical Lead OD&HR Work Stream, LGR Programme, presented the report which outlined the approach to the recruitment of interim statutory roles for the Westmorland and Furness Joint Committee.

The Technical Lead OD&HR provided clarification on a number of issues which had been raised at Member briefings which were set out in her note to Members. She explained that the Structural Changes Order was clear that the Shadow Authorities must agree the designations to the Interim Statutory roles of Head of Paid Service, Monitoring Officer and Chief Finance Officer at their first meetings and that not to do so would be a breach of that requirement. This process was the same as would apply to recommendations being made by a Senior Appointments Committee to Full Council. She further advised that the Joint Committee had to accept one nomination from each of the member councils to act as interview panel members and agree that membership of the panel, with the other two members of each member council being named substitutes in the event that the main nominee was unable to attend. She responded to two aspects of the Job Description for the Head of Paid Service which had been queried. Firstly, clarification had been sought as regards to what a "relevant degree" would be and she suggested that Members could agree for this to be changed to "a degree or relevant professional qualification". Secondly, it had been queried whether experience as a Returning Officer was essential. She informed Members that the Structural Changes Order stated that where, during the shadow period, a casual vacancy occurred in the office of councillor for Cumberland area and an election was required to be held in accordance with Section 89 of the 1972 Act, (the Interim Head of Paid Service) to be the returning officer in accordance with Article 21(12)(c) of the Cumbria Structural Changes Order 2022. However, she explained that the functions of Returning Officer could be delegated, and the Returning Officer could appoint one or more deputies to discharge all or any functions. The Structural Changes Order did not change this position which was set out in primary legislation under the Representation of the People Act (Section 35 (4)). On this basis, she advised that Members had the option to change this to a desirable, rather than essential, criteria on the person specification and the assessment criteria. A revised draft description reflecting these proposed changes was appended to the document which had been circulated prior to the meeting.

The Joint Committee had in the remit of its Terms of Reference the authority to agree and undertake the recruitment process for the Statutory Interim roles for the Shadow Authority of Head of Paid Service, Monitoring Officer and Chief Finance Officer. This was to enable the Shadow Council to make a decision on the appointment of the recommended designations at its first meeting in May and was a requirement of the Structural Changes Order. The Structural Changes Order also stated that appointees had to be an existing officer of the County Council or an officer of one of the District Councils in the Westmorland and Furness area. The statutory roles were described as designations because in statute they were a set of responsibilities, rather than a full role, to be discharged by the designated officer.

The report included detailed information on the selection process, options regarding the field of selection, principles for appointments and a proposed timeline. Proposed job descriptions for the three roles were attached to the report.

The Technical Lead OD&HR Work Stream, LGR Programme and the Acting Head of Legal and Democratic Services (Cumbria County Council) responded to queries raised by Members. There was a requirement for the three substantive Statutory Officers to be appointed by 31 December 2022 although it was recommended that they be appointed prior to that time. Funding had been put aside for these roles. The interim roles would cease when the substantive Statutory Officers had been appointed to. Reference having been made to Recommendation 2.2 and mention of a casting vote, it was pointed out that the clarification provided and referred to above amended this recommendation. Concern was expressed around the substantive roles of the Interim Statutory Officers and it was explained that this would be addressed as part of the process, potentially through backfilling using financial support or sharing responsibilities.

At this stage in the proceedings, whilst having been advised by the Acting Head of Legal and Democratic Services (Cumbria County Council) that the intention of the report was to focus on procedure only and not on individuals, some Members feeling that there was a risk of inadvertent mention of specific individuals and a need to seek legal advice, the Joint Committee voted to move into Part II.

WESTMORLAND AND FURNESS JOINT COMMITTEE

Meeting date: 11 April 2022

Report of: Linda Fisher –Technical Lead Legal and Democratic Work Stream and Monitoring Officer (South Lakeland District Council)

Subject: Proposed Code of Conduct, Guidance and Arrangements for Westmorland and Furness Shadow Authority

1.0 SUMMARY:

- 1.1** The Joint Committee is required to formulate proposals for the code of conduct to be adopted by the Shadow Authority for Westmorland and Furness and present those proposals to the first meeting of that Shadow Authority. This report recommends an appropriate code of conduct; arrangements for dealing with code of conduct matters; and guidance, to fulfil this obligation. The report also seeks authority to start recruitment of the Independent Person(s).

2.0 RECOMMENDATION:

That the Joint Committee:-

- 2.1 recommends to the Shadow Authority for Westmorland and Furness that it adopts from the date of its first Meeting the Code of Conduct, the Arrangements for Dealing with Standards Matters and the Code of Conduct Guidance and Register of Interests Form, as set out in the Report; and**
- 2.2 authorises the Monitoring Officer to initiate a recruitment process to enable the Shadow Authority Westmorland and Furness to appoint an Independent person(s) at the earliest opportunity.**

3.0 BACKGROUND, INTRODUCTION AND CONSIDERATIONS:

- 3.1** Members of the Joint Committee will be aware that Councils have a legal obligation to adopt a Code of Conduct regarding the conduct, which is expected of members of the Council and co-opted members of the authority (Localism Act 2011).
- 3.2** Structural Changes) Order 2022 (“SCO”) establishes Shadow Authorities for the areas to be known as Cumberland and Westmorland and Furness and beforehand a Joint Committee for each of those areas. Article 25 of the SCO requires that the Westmorland and Furness Joint Committee must formulate proposals for the code of conduct to be adopted by the Shadow Authority for Westmorland and Furness and present those proposals at the first meeting of the Shadow Authority. In formulating the proposals, the Joint Committee must have regard to sections 27 and 28 of the Localism Act 2011 (“the Act”). The two sections of the Act are attached to this report as Appendix 1.

- 3.3** Section 27 of the Act requires that any relevant authority must promote and maintain high standards of conduct by members and co-opted members of the authority. In particular, in discharging its duty a relevant authority must adopt a code of conduct dealing with the conduct that is expected of members and co-opted members of the authority when they are acting in that capacity. 'Co-opted member' includes persons co-opted on to committees and also a Police and Crime Commissioner when participating in relevant meetings.
- 3.4** Section 28 of the Act requires that the code of conduct, when viewed as a whole, is consistent with the following principles:
- a. Selflessness
 - b. Integrity
 - c. Objectivity
 - d. Accountability
 - e. Openness
 - f. Honesty
 - g. Leadership
- 3.5** The code of conduct must include provisions the authority deems appropriate in respect of the registration in its register, and disclosure of, pecuniary interests and interests other than pecuniary interests.
- 3.6** The authority is required to have in place arrangements under which allegations relating to the code of conduct may be investigated and arrangements under which decisions on allegations can be made.
- 3.7** The arrangements referred to must include provision for the appointment of at least one independent person whose views are to be sought, and taken into account, by the authority before it makes a decision on an allegation that it has decided to investigate. The independent person's views may be sought by the Council or by a member or co-opted member. Section 28 contains provisions as to who may or may not be an independent person and the manner in which they must be appointed. This report seeks authority for the Monitoring Officers from the relevant authorities to conduct a recruitment exercise in order that the Shadow Authorities may consider shortlisted applications and make appointments at the earliest opportunity.
- 3.8** Once adopted, the Council must publicise such adoption in such manner as it considers likely to bring the adoption, revision or replacement of the code of conduct to the attention of persons who live in its area.
- 3.9** **Code of Conduct, Arrangements and Guidance for Westmorland and Furness**
- 3.10** Members of the Joint Committee will be aware that the local authorities across Cumbria have adopted, subject to minor local variations, a consistent code of conduct, arrangements and guidance. The code used in Cumbria has only recently been updated across the authorities (or is in the process of being updated) following the publication of a model template by the Local Government Association which was designed to incorporate the best practice recommendations made by the Committee on Standards in Public Life which

were published in 2019 (see background documents for the relevant link). Other recommendations of the said Committee require changes to legislation.

- 3.11** The Joint Committee is invited to consider the following documents and thereafter recommend them for adoption by the Shadow Authority:

Appendix 2: Westmorland and Furness Code of Conduct

Appendix 3: Arrangements for Dealing with Standards Matters

Appendix 4: Code of Conduct Guidance

Appendix 5: Register of Interests Form

3.12 CONSULTATION

- 3.13** The Local Government Association carried out a wide consultation when formulating its proposed Code of Conduct. This was promoted with Members of the different Cumbrian Councils at the time in order that they could contribute. The suggested Code and amendments have been consulted upon and discussed by the Cumbrian Monitoring Officers.

4.0 OPTIONS, INCLUDING ALTERNATIVES (IF ANY)

- 4.1** There is an option to put forward revisions to the code, but this is not recommended. The recommended code is based on the LGA Model Code of Conduct and collaborative work undertaken by the Cumbrian Monitoring Officers.

5.0 IMPLICATIONS:

5.1 Financial and Procurement:

- 5.1.1** The costs incurred in respect of appointing an Independent Person for the Shadow Authority would be funded from the combined LGR reserve.

5.2 Staffing:

- 5.21** There are no direct staffing implications associated with this report.

5.3 Legal:

- 5.3.1** All Legal implications are outlined within this report.

5.4 Information Governance:

- 5.4.1** There are no direct information governance implications associated with this report.

6.0 HEALTH AND SUSTAINABILITY IMPACT:

- 6.1** There are no direct health and sustainability implications associated with this report.

6.2 EQUALITY AND DIVERSITY IMPACT:

6.3 There are no direct equality and diversity implications associated with this report.

7.0 RISKS:

The Shadow Authority is required to adopt an appropriate code and arrangements for dealing with relevant matters. If it does not do so it will fail to comply with the requirements of The Cumbria (Structural Changes) Order 2022.

8.0 CONCLUSION:

8.0 In order to comply with recommended best practice it is recommended that the LGA Code of Conduct, with appropriate local amendments, together with the revised Arrangements and Guidance be adopted by the Shadow Authority for Westmorland and Furness as from the date of its first Meeting and that the Joint Committee recommend accordingly.

8.2 Once the new Code is in place, training will be provided for Members.

s. 28 Codes of conduct

28 Codes of conduct

(1) A relevant authority must secure that a code adopted by it under [section 27\(2\)](#) (a “code of conduct”) is, when viewed as a whole, consistent with the following principles—

- (b) interests other than pecuniary interests.

(3) [Sections 29 to 34](#) do not limit what may be included in a relevant authority’s code of conduct, but nothing in a relevant authority’s code of conduct prejudices the operation of those sections.

(4) A failure to comply with a relevant authority’s code of conduct is not to be dealt with otherwise than in accordance with arrangements made under subsection (6); in particular, a decision is not invalidated just because something that occurred in the process of making the decision involved a failure to comply with the code.

(5) A relevant authority may—

- (a) revise its existing code of conduct, or
- (b) adopt a code of conduct to replace its existing code of conduct.

(6) A relevant authority other than a parish council must have in place—

- (a) arrangements under which allegations can be investigated, and
- (b) arrangements under which decisions on allegations can be made.

(7) Arrangements put in place under subsection (6)(b) by a relevant authority must include provision for the appointment by the authority of at least one independent person—

(a) whose views are to be sought, and taken into account, by the authority before it makes its decision on an allegation that it has decided to investigate, and

(b) whose views may be sought—

(i) by the authority in relation to an allegation in circumstances not within paragraph (a),

(ii) by a member, or co-opted member, of the authority if that person's behaviour is the subject of an allegation, and

(8) For the purposes of subsection (7)—

(a) a person is not independent if the person is—

(i) a member, co-opted member or officer of the authority,

(ii) a member, co-opted member or officer of a parish council of which the authority is the principal authority;

(c) a person may not be appointed under the provision required by subsection (7) unless—

(i) the vacancy for an independent person has been advertised in such manner as the authority considers is likely to bring it to the attention of the public,

(ii) the person has submitted an application to fill the vacancy to the authority, and

(iii) the person's appointment has been approved by a majority of the members of the authority;

(d) a person appointed under the provision required by subsection (7) does not cease to be independent as a result of being paid any amounts by way of allowances or expenses in connection with performing the duties of the appointment.

(9) In subsections (6) and (7) "*allegation*", in relation to a relevant authority, means a written allegation—

(a) that a member or co-opted member of the authority has failed to comply with the authority's code of conduct, or

(b) that a member or co-opted member of a parish council for which the authority is the principal authority has failed to comply with the parish council's code of conduct.

(10) For the purposes of subsection (8) a person ("R") is a relative of another person if R is—

- (d) a lineal descendant of a grandparent of the other person,
- (e) a parent, sibling or child of a person within paragraph (a) or (b),
- (f) the spouse or civil partner of a person within paragraph (c), (d) or (e), or
- (g) living with a person within paragraph (c), (d) or (e) as husband and wife or as if they were civil partners.

(11) If a relevant authority finds that a member or co-opted member of the authority has failed to comply with its code of conduct (whether or not the finding is made following an investigation under arrangements put in place under subsection (6)) it may have regard to the failure in deciding—

- (a) whether to take action in relation to the member or co-opted member, and
- (b) what action to take.

[

(11A) Subsections (11B) to (11D) apply if a police and crime commissioner is a member or co-opted member of a relevant authority in the commissioner's capacity as such.

(11B) Arrangements put in place under subsection (6)(b) by the relevant authority must include provision for an allegation against the commissioner to be referred to the police and crime panel for the commissioner's police area.

(11C) If, in response to an allegation referred to it by virtue of subsection (11B), the police and crime panel makes a report or recommendation to the police and crime commissioner under [section 28\(6\)](#) of the [Police Reform and Social Responsibility Act 2011](#), the panel may also make a report or recommendation on the allegation to the relevant authority.

(11D) The relevant authority must take any such report or recommendation into account in determining—

- (a) whether the police and crime commissioner has failed to comply with the authority's code of conduct,

]

(12) A relevant authority must publicise its adoption, revision or replacement of a code of conduct in such manner as it considers is likely to bring the adoption, revision or replacement of the code of conduct to the attention of persons who live in its area.

(13) A relevant authority's function of adopting, revising or replacing a code of conduct may be discharged only by the authority.

(14) Accordingly—

- (a) in the case of an authority to whom [section 101](#) of the [Local Government Act 1972](#) (arrangements for discharge of functions) applies, the function is not a function to which that section applies;
- (b) in the case of the Greater London Authority, the function is not a function to which [section 35](#) (delegation of functions

by the Greater London Authority) applies.

WESTMORLAND AND FURNESS COUNCIL

Councillor Code of Conduct 2022

Definitions

For the purposes of this Code of Conduct, a “councillor” means a member or co-opted member of a local authority or a directly elected mayor. A “co-opted member” is defined in the Localism Act 2011 Section 27(4) as “a person who is not a member of the authority but who

- a) is a member of any committee or sub-committee of the authority, or;
- b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee”.

For the purposes of this Code of Conduct, “local authority” includes county councils, district councils, London borough councils, parish councils, town councils, fire and rescue authorities, police authorities, joint authorities, economic prosperity boards, combined authorities and National Park authorities.

Purpose of the Code of Conduct

The purpose of this Code of Conduct is to assist you, as a councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all councillors and your specific obligations in relation to standards of conduct. The LGA encourages the use of support, training and mediation prior to action being taken using the Code. The fundamental aim of the Code is to create and maintain public confidence in the role of councillor and local government.

General principles of councillor conduct

Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, councillors and local authority officers; should uphold the [Seven Principles of Public Life](#), also known as the Nolan Principles.

Building on these principles, the following general principles have been developed specifically for the role of councillor.

In accordance with the public trust placed in me, on all occasions:

- ☐ I act with integrity and honesty
- ☐ I act lawfully
- ☐ I treat all persons fairly and with respect; and
- ☐ I lead by example and act in a way that secures public confidence in the role of councillor.

In undertaking my role:

- ☐ I impartially exercise my responsibilities in the interests of the local community
- ☐ I do not improperly seek to confer an advantage, or disadvantage, on any person
- ☐ I avoid conflicts of interest
- ☐ I exercise reasonable care and diligence; and

- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

Application of the Code of Conduct

This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor.

This Code of Conduct applies to you when you are acting in your capacity as a councillor which may include when:

- ☐ you misuse your position as a councillor
- ☐ Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a councillor;

The Code applies to all forms of communication and interaction, including:

- ☐ at face-to-face meetings
- ☐ at online or telephone meetings
- ☐ in written communication
- ☐ in verbal communication
- ☐ in non-verbal communication
- ☐ in electronic and social media communication, posts, statements and comments.

You are also expected to uphold high standards of conduct and show leadership at all times when acting as a councillor.

Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct. Town and parish councillors are encouraged to seek advice from their Clerk, who may refer matters to the Monitoring Officer.

Standards of councillor conduct

This section sets out your obligations, which are the minimum standards of conduct required of you as a councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.

Guidance is included to help explain the reasons for the obligations and how they should be followed.

General Conduct

1. Respect

As a councillor:

1.1 I treat other councillors and members of the public with respect.

1.2 I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in councillors.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider or the police. This also applies to fellow councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's councillor-officer protocol.

2. Bullying, harassment and

discrimination As a councillor:

2.1 I do not bully any person.

2.2 I do not harass any person.

2.3 I promote equalities and do not discriminate unlawfully against any person.

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in virtual meetings, emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and

sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

3. Impartiality of officers of the council

As a councillor:

3.1 I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4. Confidentiality and access to information

As a councillor:

4.1 I do not disclose information:

- a. given to me in confidence by anyone**
- b. acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless**
 - i. I have received the consent of a person authorised to give it;**
 - ii. I am required by law to do so;**
 - iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or**
 - iv. the disclosure is:**
 - 1. reasonable and in the public interest; and**
 - 2. made in good faith and in compliance with the reasonable requirements of the local authority; and**
 - 3. I have consulted the Monitoring Officer prior to its release.**

4.2 I do not improperly use knowledge gained solely as a result of my role as a councillor for the advancement of myself, my friends, my family members, my employer or my business interests.

4.3 I do not prevent anyone from getting information that they are entitled to by law.

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

5. Disrepute

As a councillor:

5.1 I do not bring my role or local authority into disrepute.

As a councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other councillors and/or your local authority and may lower the public's confidence in your or your local authority's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.

You are able to hold the local authority and fellow councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

6. Use of position

As a councillor:

6.1 I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

Your position as a member of the local authority provides you with certain opportunities, responsibilities and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

7. Use of local authority resources and facilities

As a councillor:

7.1 I do not misuse council resources.

7.2 I will, when using the resources of the local authority or authorising their use by others:

- a. act in accordance with the local authority's requirements; and**
- b. ensure that such resources are not used for political purposes.**

You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a councillor.

Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport
- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

8. Complying with the Code of Conduct

As a Councillor:

8.1 I undertake Code of Conduct training provided by my local authority.

8.2 I cooperate with any Code of Conduct investigation and/or determination.

8.3 I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.

8.4 I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.

It is extremely important for you as a councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

Protecting your reputation and the reputation of the local authority

9. Interests

As a councillor:

9.1 I register and disclose my interests.

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority.

You need to register your interests so that the public, local authority employees and fellow councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any

interest that might have to be disclosed by you or other councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in Table 1, is a criminal offence under the Localism Act 2011.

Appendix B sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Monitoring Officer.

10. Gifts and hospitality

As a councillor:

- 10.1 I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.**
- 10.2 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its receipt.**
- 10.3 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 that I have been offered but have refused to accept.**

In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a councillor. If you are unsure, do contact your Monitoring Officer for guidance.

Appendices**Appendix A – The Seven Principles of Public Life**

The principles are:

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Appendix B

Registering interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in “The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012”. You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

“Disclosable pecuniary interest” means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

"Partner" means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A ‘sensitive interest’ is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
3. Where you have a ‘sensitive interest’ you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room/meeting unless you have been granted a dispensation. In addition, you may speak on the matter only if members of the public are also allowed to speak and having spoken you must leave the room/meeting. If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.
5. Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as an Executive member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it

Disclosure of Other Registrable Interests

6. Where a matter arises at a meeting which **directly relates** to one of your Other Registrable Interests (as set out in Table 2), you must disclose the interest. If you have such an interest you must consider whether a reasonable member of the public, knowing all the facts, would think the interest such that it may influence the way you vote. If the ordinary person would think that the interest may influence your vote then you should not participate in the matter. In these circumstances you may speak on the matter only if members of the public are also allowed to speak at the meeting but

otherwise must not take part in any discussion or vote on the matter. If it is a 'sensitive interest', you do not have to disclose the nature of the interest

Disclosure of Non- Registrable Interests

7. Where a matter arises at a meeting which **directly relates** to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.
8. Where a matter arises at a meeting which **affects**—
 - a. your own financial interest or well-being;
 - b. a financial interest or well-being of a friend, relative, close associate; or
 - c. a financial interest or wellbeing of a body included under Other Registrable Interests set out in Table 1

you must disclose the interest. In order to determine whether you may participate in the meeting after disclosing your interest the following test should be applied:

9. Where a matter **affects** your financial interest or well-being so that a reasonable member of the public knowing all the facts would believe that it may affect your view of the wider public interest you may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

10. Where you have a personal interest in any business of your authority and you have made an executive decision in relation to that business, you must make sure that any written statement of that decision records the existence and nature of your interest.

Westmorland and Furness Council Arrangements for dealing with standards allegations under the Localism Act 2011

1 Context

These “Arrangements” set out how you may make a complaint that an elected or co-opted member of this authority *[or of a parish council within its area]* has failed to comply with the authority’s Code of Conduct, and sets out how the authority will deal with allegations of a failure to comply with the authority’s Code of Conduct.

Under Section 28(6) and (7) of the Localism Act 2011, the Council must have in place “arrangements” under which allegations that a member or co-opted member of the authority *[or of a parish council within the authority’s area]*, or of a Committee or Sub-Committee of the authority, has failed to comply with that authority’s Code of Conduct can be investigated and decisions made on such allegations.

Such arrangements must provide for the authority to appoint at least one Independent Person, whose views must be sought by the authority before it takes a decision on any allegation which it has decided shall be investigated, and whose views can be sought by the authority at any other stage, or by a member *[or a member or co-opted member of a parish council]* against whom an allegation has been made.

2 The Code of Conduct

The Council has adopted a Code of Conduct for members, which is attached as Appendix One to these arrangements and available for inspection on the authority’s website and on request from Reception at the Council Offices, [INSERT ADDRESS].

Each parish council is also required to adopt a Code of Conduct. If you wish to inspect a Parish Council’s Code of Conduct, you should do so by going to the website operated by the parish council and request the parish clerk to allow you to inspect the parish council’s Code of Conduct.

3 Making a complaint

If you wish to make a complaint, please write or email to –

Monitoring Officer
Westmorland and Furness Council,
INSERT

Or –

[INSERT](#)

The Monitoring Officer is a senior officer of the authority who has statutory responsibility for maintaining the register of members' interests and who is responsible for administering the system in respect of complaints of member misconduct.

In order to ensure that we have all the information which we need to be able to process your complaint, please complete and send us the model complaint form, which can be downloaded from the authority's website and is available on request from Reception at the main council Offices.

Please do provide us with your name and a contact address or email address, so that we can acknowledge receipt of your complaint and keep you informed of its progress. If you want to keep your name and address confidential, please indicate this in the space provided on the complaint form, in which case we will not disclose your name and address to the member against whom you make the complaint, without your prior consent. The authority does not normally investigate anonymous complaints unless there is a clear public interest in doing so.

The Monitoring Officer will acknowledge receipt of your complaint within 5 working days of receiving it and will keep you informed of the progress of your complaint.

The Monitoring Officer will seek to identify any conflicts of interest which may arise at any stage of the process and put alternative arrangements in place as appropriate.

4 Will your complaint be investigated?

The Monitoring Officer will review every complaint received and, after consultation with the Independent Person and Chair of the Council's Standards Committee, take a decision as to whether it merits formal investigation. This decision will normally be taken within 10 working days of receipt of your complaint. Where the Monitoring Officer has taken a decision, they will inform you of their decision and the reasons for that decision.

In certain cases the Monitoring Officer may refer particular complaints to the Standards Committee where they feel that it would be inappropriate for them to take a decision on it, for example where the Monitoring Officer has previously advised the member on the matter or the complaint is particularly sensitive.

Where the Monitoring Officer requires additional information in order to come to a decision, they may come back to you for such information, and may request information from the member against whom your complaint is directed. Where your complaint relates to a Parish Councillor, the Monitoring Officer may also inform the Parish Council of your complaint and seek the views of the Parish Clerk before deciding whether the complaint merits formal investigation.

In appropriate cases, the Monitoring Officer may seek to resolve the complaint informally, without the need for a formal investigation. Such informal resolution may involve the member accepting that their conduct was unacceptable and offering an apology, or other remedial action by the authority. Where the member or the authority make a reasonable offer of local resolution, but you are not willing to accept that offer,

the Monitoring Officer will take account of this in deciding whether the complaint merits formal investigation.

If your complaint identifies criminal conduct or breach of other regulation by any person, the Monitoring Officer has the power to call in the Police and other regulatory agencies.

5 How is the investigation conducted?

The Council has adopted a procedure for the investigation of misconduct complaints, which is attached as Appendix Two to these arrangements.

If the Monitoring Officer decides that a complaint merits formal investigation, they will appoint an Investigating Officer, who may be another senior officer of the authority, an officer of another authority or an external investigator. The Investigating Officer will decide whether they need to meet or speak to you to understand the nature of your complaint, so that you can explain your understanding of events, suggest what documents the Investigating Officer needs to see, and who the Investigating Officer needs to interview.

The Investigating Officer would normally write to the member against whom you have complained and provide them with a copy of your complaint, and ask the member to provide their explanation of events, and to identify what documents they need to see and who they need to interview. In exceptional cases, where it is appropriate to keep your identity confidential or disclosure of details of the complaint to the member might prejudice the investigation, the Monitoring Officer can delete your name and address from the papers given to the member, or delay notifying the member until the investigation has progressed sufficiently.

At the end of their investigation, the Investigating Officer will produce a draft report and will send copies of that draft report, in confidence, to you and to the member concerned, to give you both an opportunity to identify any matter in that draft report which you disagree with or which you consider requires more consideration.

Having received and taken account of any comments which you may make on the draft report, the Investigating Officer will send their final report to the Monitoring Officer.

6 What happens if the Investigating Officer concludes that there is no evidence of a failure to comply with the Code of Conduct?

The Monitoring Officer will review the Investigating Officer's report and (following consultation with the Independent Person and Chair of the Standards Committee), if he is satisfied that it is sufficient, the Monitoring Officer will write to you and to the member concerned and to the Parish Council, where your complaint relates to a Parish Councillor, notifying you that they is satisfied that no further action is required, and give you both a copy of the Investigating Officer's final report. The matter will be reported to the Standards Committee. If the Monitoring Officer is not satisfied that the

investigation has been conducted properly, they may ask the Investigating Officer to reconsider their report.

7 What happens if the Investigating Officer concludes that there is evidence of a failure to comply with the Code of Conduct?

The Monitoring Officer will review the Investigating Officer's report and, after considering the public interest, will then either send the matter for local hearing before the Hearings Panel or, after consulting the Independent Person, seek local resolution.

The Public Interest Stage

In every case where there is sufficient evidence to justify an investigation or formal hearing, Monitoring Officer must go on to consider (following consultation with the Independent Person) whether an investigation or formal hearing is required in the public interest.

It is not the case that an investigation or formal hearing will automatically take place once the evidential stage is met. An investigation or formal hearing will usually take place unless the Monitoring Officer is satisfied that there are public interest factors tending against such an investigation/hearing which outweigh those tending in favour. In some cases, the Monitoring Officer may be satisfied that the public interest can be properly served by offering the relevant elected Member the opportunity to have the matter dealt with by an alternative remedy rather than bringing the complaint before a formal hearing of the Standards Committee.

When deciding the public interest, Monitoring Officer should consider each of the questions set out below as paragraphs a) to e) so as to identify and determine the relevant public interest factors tending for and against investigation/hearing. These factors should enable the Monitoring Officer to form an overall assessment of the public interest.

The explanatory text below each question in paragraphs a) to e) provides guidance to the Monitoring Officer when addressing each particular question and determining whether it identifies public interest factors for or against investigation/hearing. The questions identified are not exhaustive, and not all the questions may be relevant in every case. The weight to be attached to each of the questions, and the factors identified, will also vary according to the facts and merits of each case.

It is quite possible that one public interest factor alone may outweigh a number of other factors which tend in the opposite direction. Although there may be public interest factors tending against an investigation or in a particular case, the Monitoring Officer should consider whether nonetheless an investigation/formal hearing should go ahead and those factors put to the Standards Committee for consideration when coming to its decision.

The Monitoring Officer should consider each of the following questions:

a. How serious is the breach of the Code?

- The more serious the breach, the more likely it is that a formal hearing is required.
- When assessing the seriousness of a breach, the Monitoring Officer should include in their consideration the elected Member's culpability and the harm caused, by asking themselves the questions at b) and c).

b) What is the level of culpability of the elected Member?

- The greater the Member's level of culpability, the more likely it is that an investigation is required.
- Culpability is likely to be determined by:
 - the Member's level of involvement;
 - the extent to which the breach of the Code was premeditated and/or planned;
 - the extent to which the Member has benefitted from the conduct;
 - whether the Member has previously breached the Code of Conduct;
 - whether the breach was or is likely to be continued, repeated or escalated;

c) What are the circumstances of and the harm caused to the complainant?

- The circumstances of the complainant are highly relevant. The more vulnerable the complainant's situation, or the greater the perceived vulnerability of the complainant, the more likely it is that a formal investigation or hearing is required.
- This includes where a position of trust or authority exists between the Member and complainant.
- It is more likely that a formal hearing is required if the conduct complained of was motivated by any form of prejudice against the complainant's actual or presumed ethnic or national origin, gender, disability, age, religion or belief, sexual orientation or gender identity; or if the Member targeted or exploited the complainant, or demonstrated hostility towards the complainant, based on any of those characteristics.
- The Monitoring Officer also needs to consider if a formal hearing is likely to have an adverse effect on the complainant's physical or mental health, always bearing in mind the seriousness of the conduct complained of, the availability of special measures and the possibility of a formal hearing without the participation of the complainant.
- The Monitoring Officer should take into account the views expressed by the complainant about the impact that the conduct has had. In appropriate cases, this may also include the views of the complainant's family.
- However, the Monitoring Officer does not act for complainants or their families in the same way as solicitors act for their clients, and Monitoring Officers must form an overall view of the public interest.

d) What is the impact on the community?

- The greater the impact of the conduct complained of on the community, the more likely it is that an investigation or formal hearing is required.
- Community is not restricted to communities defined by location and may relate to a group of people who share certain characteristics, experiences or backgrounds, including an occupational group.

e) Is an investigation or formal hearing a proportionate response?

- In considering whether investigation or formal hearing is proportionate to the likely outcome, the following may be relevant:
 - i. The cost, especially where it could be regarded as excessive when weighed against any likely penalty. The Monitoring Officer should not decide the public interest on the basis of this factor alone. It is essential that regard is also given to the public interest factors identified when considering the other questions in paragraphs a) to e), but cost can be a relevant factor when making an overall assessment of the public interest.
 - ii. Cases should be dealt with in accordance with principles of effective case management.

8.1 Local Resolution

The Monitoring Officer may consider that the matter can reasonably be resolved without the need for a hearing. In such a case, they will consult with the Independent Person and with you as complainant and seek to agree what you consider to be a fair resolution which also helps to ensure higher standards of conduct for the future. Such resolution may include the member accepting that their conduct was unacceptable and offering an apology, and/or other remedial action by the authority. If the member complies with the suggested resolution, the Monitoring Officer will report the matter to the Standards Committee and the Parish Council for information, but will take no further action. However, if you tell the Monitoring Officer that any suggested resolution would not be adequate, the Monitoring Officer will refer the matter for a local hearing.

9 Local Hearing

If the Monitoring Officer considers that local resolution is not appropriate, or you are not satisfied by the proposed resolution, or the member concerned is not prepared to undertake any proposed remedial action, such as giving an apology, then the Monitoring Officer will report the Investigating Officer's report to the Hearings Panel which will conduct a local hearing before deciding whether the member has failed to comply with the Code of Conduct and, if so, whether to take any action in respect of the member.

The Council has agreed a procedure for local hearings, which is attached as Appendix Three to these arrangements.

Essentially, the Monitoring Officer will conduct a "pre-hearing process", requiring the member to give their response to the Investigating Officer's report, in order to identify what is likely to be agreed and what is likely to be in contention at the hearing, and the Chair of the Hearings Panel may issue directions as to the manner in which the hearing

will be conducted. At the hearing, the Investigating Officer will present their report, call such witnesses as they consider necessary and make representations to substantiate their conclusion that the member has failed to comply with the Code of Conduct. For this purpose, the Investigating Officer may ask you as the complainant to attend and give evidence to the Hearings Panel. The member will then have an opportunity to give their evidence, to call witnesses and to make representations to the Hearings Panel as to why they consider that they did not fail to comply with the Code of Conduct.

The Hearings Panel, with the benefit of any advice from the Independent Person, may conclude that the member did not fail to comply with the Code of Conduct, and so dismiss the complaint. If the Hearings Panel concludes that the member did fail to comply with the Code of Conduct, the Chair will inform the member of this finding and the Hearings Panel will then consider what action, if any, the Hearings Panel should take as a result of the member's failure to comply with the Code of Conduct. In doing this, the Hearings Panel will give the member an opportunity to make representations to the Panel and will consult the Independent Person, but will then decide what action, if any, to take in respect of the matter.

10 What action can the Hearings Panel take where a member has failed to comply with the Code of Conduct?

The Council has delegated to the Hearings Panel such of its powers to take action in respect of individual members as may be necessary to promote and maintain high standards of conduct. Accordingly, the Hearings Panel may –

- 10.1 Publish its findings in respect of the Member's conduct;
- 10.2 Send a formal letter to the Member;
- 10.3 Report its findings to Council or to the Parish Council for information;
- 10.4 Recommend to the Member's Group Leader (or in the case of un-grouped members, recommend to Council or to Committees) that they be removed from any or all Committees or Sub-Committees of the Council;
- 10.5 Recommend to the Leader of the Council that the Member be removed from the Cabinet, or removed from particular Portfolio responsibilities;
- 10.6 Instruct the Monitoring Officer to or recommend that the Parish Council arrange training for the member;
- 10.7 Remove or recommend to the Parish Council that the member be removed from all outside appointments to which they have been appointed or nominated by the authority or by the Parish Council;
- 10.8 Withdraw or recommend to the Parish Council that it withdraws certain facilities provided to the member by the Council; or

- 10.9 Exclude or recommend that the Parish Council exclude the member from the Council's offices or other premises, with the exception of meeting rooms as necessary for attending Council, Committee and Sub-Committee meetings.

The Hearings Panel has no power to suspend or disqualify the member or to withdraw members' or special responsibility allowances.

11 What happens at the end of the hearing?

At the end of the hearing, the Chair will state the decision of the Hearings Panel as to whether the member failed to comply with the Code of Conduct and as to any actions which the Hearings Panel resolves to take.

As soon as reasonably practicable thereafter, the Monitoring Officer shall prepare a formal decision notice in consultation with the Chair of the Hearings Panel, and send a copy to you, to the member and to the Parish Council, make that decision notice available for public inspection and report the decision to the next convenient meeting of the Council.

The decision notice will include a brief statement of the facts, the provisions of the code engaged by the allegations, the view of the Independent Person, the reasoning of the decision maker and any sanction applied. The decision notice will be published on the Council's website.

12 Who are the Hearings Panel?

The Hearings Panel is a Sub-Committee of the Council's Standards Committee. The Standards Committee has decided that it will comprise three members of the Council, appointed on a political balance basis.

The Independent Person is invited to attend all meetings of the Hearings Panel and their views are sought and taken into consideration before the Hearings Panel takes any decision on whether the member's conduct constitutes a failure to comply with the Code of conduct and as to any action to be taken following a finding of failure to comply with the Code of Conduct.

13 Who is the Independent Person?

The Independent Person is a person who has applied for the post following advertisement of a vacancy for the post, and is appointed by a positive vote from a majority of all the members of Council.

A person cannot be "independent" if he/she –

- 13.1 Is, or has been within the past 5 years, a member, co-opted member or officer of the authority;
- 13.2 Is or has been within the past 5 years, a member, co-opted member or officer of a parish council within the authority's area, or

- 13.3 Is a relative, or close friend, of a person within paragraph 11.1 or 11.2 above. For this purpose, “relative” means –
- 13.3.1 Spouse or civil partner;
 - 13.3.2 Living with the other person as husband and wife or as if they were civil partners;
 - 13.3.3 Grandparent of the other person;
 - 13.3.4 A lineal descendent of a grandparent of the other person;
 - 13.3.5 A parent, sibling or child of a person within paragraphs 13.3.1 or 13.3.2;
 - 13.3.6 A spouse or civil partner of a person within paragraphs 13.3.3, 13.3.4 or 13.3.5; or
 - 13.3.7 Living with a person within paragraphs 13.3.3, 13.3.4 or 13.3.5 as husband and wife or as if they were civil partners.

14 Revision of these arrangements

The Council may by resolution agree to amend these arrangements, and has delegated to the Chair of the Hearings Panel the right to depart from these arrangements where they considers that it is expedient to do so in order to secure the effective and fair consideration of any matter.

15 Appeals

There is no right of appeal for you as complainant or for the member against a decision of the Monitoring Officer or of the Hearings Panel

If you feel that the authority has failed to deal with your complaint properly, you may make a complaint to the Local Government Ombudsman.

SHADOW AUTHORITY FOR WESTMORLAND AND FURNESS

Councillor Code of Conduct

Adopted INSERT

Definitions

For the purposes of this Code of Conduct, a “councillor” means a member or co-opted member of a local authority or a directly elected mayor. A “co-opted member” is defined in the Localism Act 2011 Section 27(4) as “a person who is not a member of the authority but who

- a) is a member of any committee or sub-committee of the authority, or;
- b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee”.

For the purposes of this Code of Conduct, “local authority” includes county councils, district councils, London borough councils, parish councils, town councils, fire and rescue authorities, police authorities, joint authorities, economic prosperity boards, combined authorities and National Park authorities.

Purpose of the Code of Conduct

The purpose of this Code of Conduct is to assist you, as a councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all councillors and your specific obligations in relation to standards of conduct. The LGA encourages the use of support, training and mediation prior to action being taken using the Code. The fundamental aim of the Code is to create and maintain public confidence in the role of councillor and local government.

General principles of councillor conduct

Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, councillors and local authority officers; should uphold the [Seven Principles of Public Life](#), also known as the Nolan Principles.

Building on these principles, the following general principles have been developed specifically for the role of councillor.

In accordance with the public trust placed in me, on all occasions:

- ☐ I act with integrity and honesty
- ☐ I act lawfully

- ☐ I treat all persons fairly and with respect; and
- ☐ I lead by example and act in a way that secures public confidence in the role of councillor.

In undertaking my role:

- ☐ I impartially exercise my responsibilities in the interests of the local community
- ☐ I do not improperly seek to confer an advantage, or disadvantage, on any person
- ☐ I avoid conflicts of interest
- ☐ I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

Application of the Code of Conduct

This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor.

This Code of Conduct applies to you when you are acting in your capacity as a councillor which may include when:

- ☐ you misuse your position as a councillor
- ☐ Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a councillor;

The Code applies to all forms of communication and interaction, including:

- ☐ at face-to-face meetings
- ☐ at online or telephone meetings
- ☐ in written communication
- ☐ in verbal communication
- ☐ in non-verbal communication
- ☐ in electronic and social media communication, posts, statements and comments.

You are also expected to uphold high standards of conduct and show leadership at all times when acting as a councillor.

Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct. Town and parish councillors are encouraged to seek advice from their Clerk, who may refer matters to the Monitoring Officer.

Standards of councillor conduct

This section sets out your obligations, which are the minimum standards of conduct required of you as a councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.

Guidance is included to help explain the reasons for the obligations and how they should be followed.

General Conduct

1. Respect

As a councillor:

1.1 I treat other councillors and members of the public with respect.

1.2 I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in councillors.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider or the police. This also applies to fellow councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's councillor- officer protocol.

2. Bullying, harassment and discrimination As a councillor:

2.1 I do not bully any person.

2.2 I do not harass any person.

2.3 I promote equalities and do not discriminate unlawfully

against any person.

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in virtual meetings, emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's

identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

3. Impartiality of officers of the council As a councillor:

3.1 I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4. Confidentiality and access to information As a councillor:

4.1 I do not disclose information:

- a. given to me in confidence by anyone**
- b. acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless**
 - i. I have received the consent of a person authorised to give it;**

- ii. **I am required by law to do so;**
- iii. **the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or**
- iv. **the disclosure is:**
 - 1. **reasonable and in the public interest; and**
 - 2. **made in good faith and in compliance with the reasonable requirements of the local authority; and**
 - 3. **I have consulted the Monitoring Officer prior to its release.**

4.2 I do not improperly use knowledge gained solely as a result of my role as a councillor for the advancement of myself, my friends, my family members, my employer or my business interests.

4.3 I do not prevent anyone from getting information that they are entitled to by law.

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

5. Disrepute As a councillor:

5.1 I do not bring my role or local authority into disrepute.

As a councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other councillors and/or your local authority and may lower the public's confidence in you or your local authority's ability to discharge your/it's functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.

You are able to hold the local authority and fellow councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

6. Use of position as a councillor:

6.1 I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

Your position as a member of the local authority provides you with certain opportunities, responsibilities and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

7. Use of local authority resources and facilities

As a councillor:

7.1 I do not misuse council resources.

7.2 I will, when using the resources of the local authority or authorising their use by others:

- a. act in accordance with the local authority's requirements; and**
- b. ensure that such resources are not used for political purposes.**

You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a councillor.

Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport
- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

8. Complying with the Code of Conduct As a Councillor:

8.1 I undertake Code of Conduct training provided by my local authority.

8.2 I cooperate with any Code of Conduct investigation and/or determination.

8.3 I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.

8.4 I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.

It is extremely important for you as a councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

Protecting your reputation and the reputation of the local authority

9. Interests

As a councillor:

9.1 I register and disclose my interests.

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority.

You need to register your interests so that the public, local authority employees and fellow councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in Table 1, is a criminal offence under the Localism Act 2011.

Appendix B sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Monitoring Officer.

10. Gifts and hospitality

As a councillor:

10.1 I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.

10.2 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its

receipt.

10.3 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 that I have been offered but have refused to accept.

In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a councillor. If you are unsure, do contact your Monitoring Officer for guidance.

Appendices

Appendix A – The Seven Principles of Public Life

The principles are:

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Appendix B

Registering interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in “The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012”. You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

“Disclosable pecuniary interest” means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

"Partner" means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A ‘sensitive interest’ is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
3. Where you have a ‘sensitive interest’ you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room/meeting unless you have been granted a dispensation. In addition, you may speak on the matter only if members of the public are also allowed to speak and having spoken you must leave the room/meeting. If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.
5. Where you have a disclosable pecuniary interest on a matter to be considered

or is being considered by you as an Executive member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it

Disclosure of Other Registrable Interests

6. Where a matter arises at a meeting which ***directly relates*** to one of your Other Registrable Interests (as set out in Table 2), you must disclose the interest. If you have such an interest you must consider whether a reasonable member of the public, knowing all the facts, would think the interest such that it may influence the way you vote. If the ordinary person would think that the interest may influence your vote then you should not participate in the matter. In these circumstances you may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter. If it is a 'sensitive interest', you do not have to disclose the nature of the interest

Disclosure of Non- Registrable Interests

7. Where a matter arises at a meeting which ***directly relates*** to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.
8. Where a matter arises at a meeting which ***affects***—
 - a. your own financial interest or well-being;
 - b. a financial interest or well-being of a friend, relative, close associate; or
 - c. a financial interest or wellbeing of a body included under Other Registrable Interests set out in Table 1

you must disclose the interest. In order to determine whether you may participate in the meeting after disclosing your interest the following test should be applied:

9. Where a matter ***affects*** your financial interest or well-being so that a reasonable member of the public knowing all the facts would believe that it may affect your view of the wider public interest you may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

10. Where you have a personal interest in any business of your authority and you have made an executive decision in relation to that business, you must make sure that any written statement of that decision records the existence and nature of your interest.

APPENDIX 2

WESTMORLAND AND FURNESS COUNCIL

Procedure for Local Investigation of Referred Complaints

Introduction and Summary

This note sets out the procedure which will be followed in the local investigation of allegations of misconduct by Councillors or Co-opted Members (for ease of reference, hereinafter jointly referred to as "Councillors"). No departure will be made from this procedure unless and until the Monitoring Officer has first notified the Councillor against whom the allegation has been made of the proposed variation to the procedure and the reasons for that variation.

This procedure applies to breaches of the authority's Code of Conduct for Members.

When the Monitoring Officer receives an allegation of a failure by a Councillor to comply with the Code of Conduct, and, following consultation with the Independent Person and Chair of the Standards Committee, they are of the opinion that the allegation merits investigation, they shall arrange for an Investigating Officer to investigate the allegation and to report to the Monitoring Officer.

Where the Investigating Officer has found, after investigation, that the Councillor has not acted in breach of the authority's Code of Conduct for Members or a local protocol, the Monitoring Officer will review the Investigating Officer's report and, following consultation with the Independent Person and the Chair of the Standards Committee, if they are of the view that the report is sufficient they will write to you, enclosing a copy of the report and advise you that no further action will be taken.

Where the Investigating Officer has found that there has been a failure to comply with the Code of Conduct for Members or a local protocol and a Local Resolution has not been possible then the Monitoring Officer, following consultation with the Independent Person and the Chair of the Standards Committee, may decide to hold a full hearing to determine whether a breach of the authority's Code of Conduct has occurred and whether any action should be taken in consequence.

In this process, the function of the Investigating Officer is to ensure, as far as possible, that all the information which is relevant to the allegation is identified and presented to the Monitoring Officer, to enable them, in consultation with the Chair of the Standards Committee, to make an informed decision as to whether the Councillor has failed to comply with the authority's Code of Conduct for Members, and upon any consequential action. At any Hearing, the Standards Committee acts in an inquisitorial manner, rather than an adversarial manner, seeking the truth in relation to the conduct of the Councillor on the balance of the information available to it, and may commission further investigation or information if it needs to do so in order to come to a decision. In the event of the Investigating Officer requiring

information from, or the attendance of, any Officer or elected Member in connection with the conduct of an investigation, such Officer or Member will be expected to co-operate fully with the Investigating Officer in accordance with their responsibilities under their contracts of employment and Code of Conduct respectively.

1. Interpretation

‘Councillor’ means the member or co-opted member of the authority who is the subject of the allegation being considered by the Standards Committee, unless stated otherwise. It also includes the Councillor’s representative.

‘Investigating Officer’ means the person appointed by the Monitoring Officer to undertake that investigation (which may include the Monitoring Officer and/or his or her representative).

‘The Matter’ is the subject matter of the Investigating Officer’s report.

‘The Standards Committee’ refers to the Standards Committee or to any Standards Sub-Committee to which it has delegated the conduct of the hearing, unless the context indicates that it refers only to the Standards Committee itself.

2. Notification of Reference of Allegation to the Monitoring Officer

(a) Appointment of Investigating Officer

If it is determined that an investigation is appropriate, the Monitoring Officer will appoint an Investigating Officer in respect of the allegation and instruct them to conduct an investigation of the allegation and to report thereon to the Monitoring Officer. The Investigating Officer may be an officer of the authority, an officer of another local authority, or an external Investigating Officer.

The Investigating Officer may appoint persons to assist them in the conduct of their functions and may obtain such professional advice as may be necessary for the conduct of the investigation.

(b) Notification to the Councillor

The Monitoring Officer will then notify in writing the Councillor against whom the allegation is made:

- (i) that the allegation has been referred to him for local investigation and determination;
- (ii) the identity of the person making the allegation (unless identification of the complainant might prejudice the investigation or put the complainant at risk);
- (iii) of the conduct which is the subject of the allegation;
- (iv) of the section(s) of the Code of Conduct or local protocol which appear to him to be relevant to the allegation;
- (v) of the procedure which will be followed in respect of the allegation, and

(vi) of the identity of the Investigating Officer.

(c) *Notification to the Parish or Town Council Clerk*

Where the allegation relates to the conduct of a member of a Parish or Town Council in his her capacity as such, at the same time as notifying the Councillor, the Monitoring Officer will notify the Clerk of the Parish or Town Council concerned in writing of the matters set out in paragraphs 2(b)(i) - (iv) and (vi) above.

(d) Notification to the Person who made the Allegation

At the same time as notifying the Councillor, the Monitoring Officer will notify the person who made the allegation in writing of the matters set out in paragraphs 2(b)(i) - (iv) and (vi) above.

(e) Initial response of the Councillor

In notifying the Councillor of receipt of the allegation, the Monitoring Officer shall request the Councillor to respond to the Investigating Officer in writing within 14 days of notification as follows:

- (i) advising the Investigating Officer whether the Councillor admits or denies the breach of the Code of Conduct or local protocol which is the subject of the allegation;
- (ii) listing any documents which the Councillor would wish the Investigating Officer to take into account in any investigation of the allegation, where possible providing copies of these documents, and informing the Investigating Officer of where the original documents may be inspected,
- (iii) providing the Investigating Officer with the name, address and telephone number (or other appropriate contact details) of any person or organisation whom the Councillor would wish the Investigating Officer to interview in the course of any investigation of the allegation (providing that, in the reasonable opinion of the Investigating Officer, the number of such is not excessive or disproportionate), and
- (iv) providing the Investigating Officer with any information which the Councillor would wish the Investigating Officer to seek from any person or organisation.

(f) Supporting information from the person who made the allegation

In notifying the person who made the allegation as above, the Monitoring Officer will request the person to respond to the Investigating Officer within 14 days

- (i) listing any documents which the person would wish the Investigating Officer to take into account in any investigation of the allegation, where

possible providing copies of these documents, and informing the Investigating Officer of where the original documents may be inspected,

- (ii) providing the Investigating Officer with the name, address and telephone number (or other appropriate contact details) of any person or organisation whom the person would wish the Investigating Officer to interview in the course of any investigation of the allegation, and
- (iii) providing the Investigating Officer with any information which the person would wish the Investigating Officer to seek from any person or organisation.

3. Conduct of Investigation

(a) Purpose of the Investigation

The purpose of the Investigating Officer's investigation is to enable them to prepare and present to the Monitoring Officer a report which, if subsequently referred to the Standards Committee, would provide it with sufficient information to determine whether the Councillor has acted in breach of the Code of Conduct or local protocol and, where there has been a breach of the Code of Conduct or local protocol, whether any action should be taken in respect of the Councillor or in consequence of the breach, and what any such action should be.

(b) Termination of the Investigation

The Investigating Officer may terminate their investigation at any point, where they are satisfied that they have sufficient information to enable them to report to the Standards Committee and to enable the Standards Committee to come to a considered decision on the allegation.

(c) Additional Matters

Where, in the course of their investigation, the Investigating Officer becomes aware of any other matter which appears to them to indicate a breach of the Code of Conduct or local protocol by the Councillor other than the breach which they are currently investigating, the Investigating Officer shall either:

- (i) *(where the additional matter relates to an apparent breach of the authority's Code of Conduct by a member of the principal authority)* report the matter to the Monitoring Officer who will provide the Councillor with details of the matter in the form set out in paragraphs 2(b)(iii) and (iv) above and invite the Councillor to provide a statement as to why the additional matter does not constitute a breach of the Code of Conduct;
- (ii) *(where the additional matter constitutes an apparent breach of the authority's local protocols but not a breach of the Code of Conduct by a member of the principal authority)* report the matter to the Monitoring Officer who will provide the Councillor with details of the matter in the

form set out in paragraphs 2(b)(iii) and (iv) above and invite the Councillor to provide a statement as to why the additional matter does not constitute a breach of the authority's code of conduct. The Monitoring Officer, in consultation with the Independent Person and the Chair of the Standards Committee, will then take a decision whether to refer the matter to an Investigating Officer for local investigation and/or report to the Standards Committee as appropriate.;

- (iii) *(Where the additional matter relates to an apparent breach of the Code of Conduct by a Parish or Town Councillor)* notify the Clerk to the Town or Parish Council of the additional matter, and take no further action in respect thereof.
- (d) Following notification to the Councillor, the Investigating Officer will identify an initial list of persons to be interviewed, organisations from whom information is to be sought and documents to be inspected as part of the investigation. Where the Councillor has provided the Investigating Officer with the information requested in accordance with Paragraphs 2(f)(ii) and (iii) above, the Investigating Officer shall include in this list each document, person and organisation referred to in that response, unless they are of the opinion that the inclusion of that document, person or organisation would unreasonably delay the completion of the investigation rather than contribute to the accuracy of the Investigating Officer's final report. The Investigating Officer may supplement or amend this list at any stage of the investigation.
- (e) Production of documents, information and explanations
 - (i) In the course of the investigation, the Investigating Officer and any person authorised on their behalf may make such enquiries of any person or organisation, and request any person or organisation to provide any document or information which is in his/its possession or control, or provide any explanation, as they think necessary for the purposes of carrying out the investigation.
 - (ii) In the course of the investigation, the Investigating Officer and any person authorised on their behalf may require any authority of which the Councillor is a member to provide any document which is in his/its possession or control which they think necessary for the purposes of carrying out the investigation.
 - (iii) Any decision about whether any particular document is sensitive or commercially sensitive and thus not suitable for publication shall rest with the Monitoring Officer in consultation with the Independent Person and Chair of the Standards Committee.
- (f) Interviews
 - (i) Requesting attendance

In the course of the investigation the Investigating Officer may request any person to attend and appear before him or otherwise provide any

information, document or explanation for the purpose of Paragraph 3(e), as they thinks necessary for the purposes of carrying out the investigation.

(ii) Representation

Any person who appears before the Investigating Officer may arrange to be accompanied at their own expense by a solicitor or friend.

(iii) Notes of interviews

Where practicable, following the interview the Investigating Officer shall produce a written note of the material points of the interview, provide two copies of that note to the person interviewed and ask them to return one copy signed as a correct record of the interview, with such corrections or amendments as they may feel necessary for that purpose.

(g) Costs

The Investigating Officer may, where they considers that it is appropriate in order to facilitate the conduct of the investigation, pay to any person who provides any document, information, advice or explanation in response to their request, such fees or allowances as they considers to be appropriate subject to any maxima set by the authority.

4. The Draft Report

(a) When the Investigating Officer is satisfied that they has sufficient information to meet the requirement set out in Paragraph 3(a), or has obtained as much information as is likely to be reasonably capable of being obtained, they shall prepare a draft report with a “confidential” and “draft” marking setting out:

- (i) the details of the allegation;
- (ii) the relevant provisions of statute, of the Code of Conduct and any relevant local Protocols
- (iii) the Councillor’s initial response to notification of the allegation (if any);
- (iv) the relevant information, evidence, advice and explanations which they has obtained in the course of the investigation;
- (v) a list of any documents relevant to the matter;
- (vi) a list of those persons whom they has interviewed and those organisations from whom they has sought information;
- (vii) a note of any person or organisation who has failed to co-operate with the investigation and the manner in which they have failed to co-operate;

- (viii) a statement of their draft findings of fact;
 - (ix) their conclusion (with reasons) as to whether the Councillor has or has not failed to comply with the Code of Conduct for Members of any authority or a local protocol, and
 - (x) any recommendations which the Investigating Officer is minded to make to any authority concerned for reviewing or reconsidering any decision which was the subject of the breach of the Code of Conduct or local protocol, for rectifying any deficiency in the authority's decision-making procedures or for preventing or deterring any breach of the Code of Conduct or local protocol or to remedy the position of any person who may have suffered detriment or injustice as a result of the breach. *Where the allegation relates to a Parish or Town Councillor, such recommendations would be recommendations which the Investigating Officer would recommend that the Standards Committee make to the Parish or Town Council.*
- (b) The draft report should also state that the report does not necessarily represent the Investigating Officer's final finding, and that the investigating Officer will present a final report to the Monitoring Officer once they has considered any comments received on the draft report.
 - (c) The Investigating Officer shall then send a copy of their draft report in confidence to the Councillor and the person making the allegation, and request that they send any comments thereon to them within 14 days.
 - (d) The Investigating Officer may send a copy of, or relevant extracts from their draft report in confidence to any person on whose evidence they has relied in compiling the draft report, and request that they send any comments thereon to them within 14 days.

5. The Final Report

- (a) After the expiry of that period (or such extended period as the Investigating Officer may allow), the Investigating Officer shall reconsider and amend their draft report in the light of any comments received, and produce and send to the Monitoring Officer his final report. The final report should be marked "final" and state that the report represents the Investigating Officer's final findings and may, if necessary, be presented to the Standards Committee, and should, subject to 3(e)(iii), have appended to it copies of any documents which the Investigating Officer has relied on in reaching their conclusions, such as background documents of telephone conversations, letters, notes of interviews with witnesses and a chronology of events;
- (b) The Monitoring Officer shall then send a copy of the final report to the Councillor, advising that:
 - (i) where the final report concludes that there has not been a failure to comply with the Code of Conduct for Members or a local protocol, (if the Monitoring Officer, in consultation with the Independent Person and Chair of the Standards Committee are satisfied) that no further

action is required, and

- (ii) where the final report concludes that there has been a failure by the Councillor to comply with the Code of Conduct for Members or with a local protocol, they will consider, in consultation with the Independent Person and Chair of the Standards Committee, whether the matter be further dealt with by Local Resolution or a Local Hearing.
- (c) If the complaint is dealt with by Local Resolution then that is the end of the matter.
- (d) If it is determined that there should be a Local Hearing then the Procedure for Determination of Allegations about the Personal Conduct of Members will apply.

WESTMORLAND AND FURNESS COUNCIL**PROCEDURE FOR DETERMINATION OF ALLEGATIONS ABOUT THE

4. Where the Monitoring Officer is the Investigating Officer they must arrange for a separate legal advisor to the Committee to be appointed in respect of the allegation.

10. The Member and the Investigating Officer are entitled to request that any witnesses they want should be called. However, the Chairman of the Hearing may limit the number of witnesses to be called, if they believes the number requested is unreasonable and that some witnesses will simply be repeating the evidence of earlier witnesses, or else not providing evidence that will assist the Committee to reach its decision.

11. Nothing in this procedure shall limit the Chairman of the Hearing from requesting the attendance of any additional witnesses whose evidence they considers would assist the Committee to reach its decision.
12. The Monitoring Officer, in consultation with the Chairman, will:

GUIDANCE ON CODE OF CONDUCT

This document has been produced by the Cumberland/Westmorland and Furness Monitoring Officers to offer guidance on the Code of Conduct for Members. The code, amended from time to time to reflect current guidance, applies to all members and co-opted members of the Council.

The Member code does not apply to the actions of the Council as a whole, or to the conduct of its officers and employees.

Ultimately, it is the members' responsibility to take specific advice from the Monitoring Officer where appropriate and to make a decision as to the most suitable course of action.

Code of Conduct

The Code of Conduct ("the Code") is not intended to be an exhaustive list of all the obligations that are placed on Members, but it is the responsibility of individual members to comply with the provisions of the Code as well as such other legal obligations as may apply to them from time to time.

The Code is intended to be consistent with the seven principles as attached to the code which define the standards that members should uphold. A failure to act in accordance with these general principles may amount to a breach of the Code of Conduct. For example, by placing yourself in situations where your honesty and integrity may be questioned, your conduct may be conduct which could "bring the Council or your office as a member of the Council into disrepute".

When does the Code apply to you?

The Code applies to you whenever you act in your official capacity as a member or co-opted member of the Authority. A co-opted member is a person who is not a member of the Council but who is either a member of any committee or sub-committee of the Council, or a member of, and represents the Council on any joint committee or joint sub-committee of the Council and who is entitled to vote on any question that falls to be decided at that meeting of that committee or sub-committee.

For the purposes of the Code, a "meeting" is a meeting of the Council, any of its committees, sub-committees, joint committees or joint sub-committees.

General Obligations under the Code

You must act solely in the public interest and should never improperly confer an advantage or disadvantage on any person or act to gain financial or other material benefits for yourself, your family, a friend, a close associate, an employer or business carried on by you.

For example, your behaviour would be improper if you sought to further your private interests through your position as a member.

You must not place yourself under a financial or other obligation to outside individuals or organisations that may influence you in the performance of your official duties.

It would not be appropriate to accept favours, gifts or hospitality from someone that may, at a later date, require something from the Council that you are in a position to influence. For example, you may be offered a discount by a business in the area which subsequently applies

for a planning permission and/or a licence. You may be on the relevant committee dealing with the application and, therefore, be in a difficult position.

You must not disclose any information given to you as a Member in breach of any confidence.

There may be circumstances where you are required to do so by law but you should seek the advice of the Monitoring Officer if there is any doubt about this.

You must not disclose confidential information, or information which you believe to be of a confidential nature, except in any of the following circumstances:

- You have the consent of the person authorised to give it.
- You are required by law to do so.
- The disclosure is made to a third party for the purposes of obtaining professional advice (for example, your lawyer or other professional adviser) provided that person agrees not to disclose the information to any other person.
- The disclosure is in the public interest. This is only justified in limited circumstances, when all of the following four requirements are met:
 1. the disclosure must be reasonable
 2. the disclosure must be in the public interest
 3. the disclosure must be made in good faith
 4. the disclosure must be made in compliance with any reasonable requirements of your authority

In relation to the disclosure of confidential information in the public interest, the four requirements to be met are outlined in more detail below.

1. The first requirement, that the disclosure must be reasonable, requires you to consider matters such as:

- Whether you believe that the information disclosed, and any allegation contained in it, is substantially true. If you do not believe this, the disclosure is unlikely to be reasonable.
- Whether you make the disclosure for personal gain. If you are paid to disclose the information, the disclosure is unlikely to be reasonable.
- The identity of the person to whom the disclosure is made. It may be reasonable to disclose information to the police or to an appropriate regulator. It is less likely to be reasonable for you to disclose the information to the world at large through the media.
- The extent of the information disclosed. The inclusion of unnecessary detail, and in particular, private matters such as addresses or telephone numbers, is likely to render the disclosure unreasonable.
- The seriousness of the matter. The more serious the matter disclosed, the more likely it is that the disclosure will be reasonable.
- The timing of the disclosure. If the matter to which the disclosure relates has already occurred, and is unlikely to occur again, the disclosure may be less likely to be reasonable than if the matter is continuing, or is likely to recur.
- Whether the disclosure involves your authority failing in a duty of confidence owed to another person.

2. The second requirement, that the disclosure must be in the public interest, needs to involve one or more of the following matters or something of comparable seriousness, that has either happened in the past, is currently happening, or is likely to happen in the future:

- (a) A criminal offence is committed.
- (b) Your authority or some other person fails to comply with any legal obligation to which they are subject.
- (c) A miscarriage of justice occurs.
- (d) The health or safety of any individual is in danger.
- (e) The environment is likely to be damaged.
- (f) That information tending to show any matter falling within (a) to (e) is deliberately concealed.

3. The third requirement, that the disclosure is made in good faith, will not be met if you act with an ulterior motive, for example, to achieve a party political advantage or to settle a score with a political opponent.

4. The fourth requirement, that you comply with the reasonable requirements of your authority, means that before making the disclosure you must comply with your authority's policies or protocols on matters such as whistle-blowing and confidential information. You must first raise your concerns through the appropriate channels set out in such policies or protocols.

In summary, to decide whether the disclosure is reasonable and in the public interest, you may need to conduct a balancing exercise weighing up the public interest in maintaining confidentiality against any countervailing public interest favouring disclosure. This will require a careful focus on how confidential the information is, on any potentially harmful consequences of its disclosure, and on any factors which may justify its disclosure despite these potential consequences.

In some situations, it is extremely unlikely that a disclosure can be justified in the public interest. These will include where the disclosure amounts to a criminal offence, or where the information disclosed is protected by legal professional privilege.

You must not conduct yourself in a manner which could reasonably be regarded as bringing the Council, or your office as a member of the Council, into disrepute.

You must not bring your office or authority into disrepute whilst acting in your official capacity.

As a member, your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on your office or your authority. Dishonest and deceitful behaviour in your role as a member may bring your authority into disrepute, as may conduct in your private life which results in a criminal conviction, such as dishonest, threatening or violent behaviour.

You must treat others with respect and promote equality by not discriminating unlawfully against any person, and by treating people with respect, regardless of their sex, race, age, religion, gender, sexual orientation or disability. You should respect the impartiality and integrity of the authority's statutory officers and its other employees.

Respect

You must treat others with respect. In politics, rival groupings are common, either in formal political parties or more informal alliances. It is expected that each will campaign for their ideas, and they may also seek to discredit the politics and actions of their opponents. Criticism of ideas and opinion is part of democratic debate, and does not in itself amount to failing to treat someone with respect.

Ideas and policies may be robustly criticised, but individuals should not be subject to unreasonable or excessive personal attacks. This particularly applies to dealing with the

public and officers. Chairs of meetings are expected to apply the rules of debate and procedure rules or standing orders to prevent abusive or disorderly conduct.

Whilst there may be unreasonable demands on members, members should, as far as possible, treat people courteously and with consideration. Rude and offensive behaviour lowers the public's expectations and confidence in its elected representatives.

Equality

You must not do anything which may cause your authority to breach any equality laws. You must be careful not to act in a way which may amount to any of the prohibited forms of discrimination, or do anything which hinders your authority's fulfilment of its positive duties under equality laws. Such conduct may cause your authority to breach the law, and you may find yourself subject to a complaint that you have breached this paragraph of the code of conduct.

Bullying

You should not bully any person. As an elected Member you are in a position of authority and power over Council employees and others. Bullying is offensive, intimidating, malicious or insulting behaviour involving the misuse of power that can make a person feel vulnerable, upset, humiliated, undermined or threatened. Power does not always mean being in a position of authority, but can include both personal strength and the power to coerce through fear or intimidation.

Bullying can take the form of physical, verbal and non-verbal conduct. Bullying may include, by way of example:

- (a) Physical or psychological threats;
- (b) Overbearing and intimidating levels of supervision/instruction;
- (c) Inappropriate derogatory remarks about someone's performance;

Legitimate, reasonable and constructive criticism of a worker's performance or behaviour, or reasonable instructions given to workers in the course of their employment, will not amount to bullying on their own.

Harassment

You should not harass any person. Harassment is any unwanted physical, verbal or non-verbal conduct that has the purpose or effect of violating a person's dignity or creating an intimidating, hostile, degrading, humiliating or offensive environment for them. A single incident can amount to harassment.

It also includes treating someone less favourably because they have submitted or refused to submit to such behaviour in the past.

Unlawful harassment may involve conduct of a sexual nature (sexual harassment), or it may be related to age, disability, gender reassignment, marital or civil partner status, pregnancy or maternity, race, colour, nationality, ethnic or national origin, religion or belief, sex or sexual orientation. Harassment is unacceptable even if it does not fall within any of these categories.

Harassment may include, for example:

- (a) Unwanted physical conduct or "horseplay", including touching, pinching, pushing and grabbing;

- (b) Continued suggestions for social activity after it has been made clear that such suggestions are unwelcome;
- (c) Sending or displaying material that is pornographic or that some people may find offensive (including e-mails, text messages, video clips and images sent by mobile phones or posted on the internet);
- (d) Unwelcome sexual advances or suggestive behaviour (which the harasser may perceive as harmless);
- (e) Racist, sexist, homophobic or ageist jokes, or derogatory or stereotypical remarks about a particular ethnic or religious group or gender;
- (f) Outing or threatening to out someone as gay or lesbian;
- (g) Offensive e-mails, text messages or social media content; or
- (h) Mocking, mimicking or belittling a person's disability.

A person may be harassed even if they were not the intended "target". For example, a person may be harassed by racist jokes about a different ethnic group if the jokes create an offensive environment.

Impartiality and integrity of officers of the authority

You should respect the impartiality and integrity of the Authority's statutory officers and its other employees.

You should not approach or pressure anyone who works for, or on behalf of the authority to carry out their duties in a biased or partisan way. They must be neutral and should not be coerced or persuaded to act in a way that would undermine their neutrality. For example, you should not get officers to help you prepare party political material, or to help you with matters relating to your private business.

Although you can robustly question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

When carrying out your public duties you must make all choices, such as making public appointments, awarding contracts or recommending individuals for rewards or benefits on merit.

As an elected Member of the Council you are responsible for administering resources on behalf of the public of the area that you serve. You should administer these resources fairly and in accordance with the law. It is inappropriate for the Council's resources or powers to be used in such a way that the authority and its Members be left open to accusations that in appropriate influence played a part, for example, "it's not what you know, it's who you know!"

You are accountable for your decisions to the public and you must co-operate fully with whatever scrutiny is appropriate to your office.

This requirement is linked to carrying out all duties in a fair and transparent manner. Members are able to be held to account for their actions and, this being the case, you must be open to cooperate with any legitimate scrutiny that is to be applied.

You must be open as possible about your decisions and actions and the decisions and actions of your authority and should be prepared to give reasons for those decisions and actions.

The law requires that Members give reasons for their decisions. This is so that the public we serve are able to understand why we have taken a course of action and, if necessary, exercise any right of challenge that is open to them.

You must declare any private interests, both disclosable pecuniary interests and any registrable interests, that relate to your public duties and must take steps to resolve any conflicts arising in a way that protects the public interest, including registering and declaring interest in a matter which conforms to the procedures within the code.

The Code of Conduct contains a scheme for the registration of interests. It exists to support openness and transparency; the public are able to see where you may have an interest. Secondly, the scheme of registration exists to protect individual Members against accusations of a conflict of interest, etc. Lastly, the registration of disclosable pecuniary interests is required by law.

You must ensure, when using or authorising the use by others of the resources of your authority, that such resources are not used improperly for political purposes (including party political purposes) and you must have regard to any applicable Local Authority Code of Publicity made under the Local Government Act 1986.

Where your authority provides you with resources (for example telephone, computer and other IT facilities, transport or support from council employees), you must only use these resources or employees for carrying out your local authority business and any other activity which your authority has authorised you to use them for.

You must be familiar with the rules applying to the use of these resources made by your authority. Failure to comply with the authority's rules is likely to amount to a breach of the code.

If you authorise someone (for example a member of your family) to use your authority's resources, you must take care to ensure that this is allowed by the authority's rules.

You should never use council resources for purely political purposes, including designing and distributing party political material produced for publicity purposes.

You must promote and support high standards of conduct when serving in your office.

You have a duty to promote and support high standards of conduct and be consistent with the seven general principles attached to the Code.

INTERESTS

Register of interests

Any interests notified to the Monitoring Officer will be included in the register of interests. A copy of the register will be available for public inspection and will be published on the authority's website.

You have two types of registrable interests

- a) A Disclosable Pecuniary Interest and
- b) Interests other than pecuniary interests that the Council has decided should be registered

Disclosable Pecuniary Interests

1. These are interests which must be notified to the Council's Monitoring Officer within 28 days beginning with the day on which you become a member or co-opted member of the authority in accordance with the statutory requirements of the Localism Act 2011. These are enforced by criminal sanction, and failure to declare is a criminal offence.
2. You need to register your interests so that the public, authority staff and fellow members know which of your interests might give rise to a conflict of interest. The register is a document that can be consulted when (or before) an issue arises, and so allows others to know what interests you have, and whether they might give rise to a potential conflict of interest.
3. The register also protects you. You are responsible for deciding whether or not you should declare an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be declared by you or other members, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local government is maintained.
4. A 'disclosable pecuniary interest' is an interest of yourself or your partner (which means spouse or civil partner, a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners) of the following descriptions:
 - (a) Details of any employment, office, trade, profession or vocation carried on for profit or gain
 - (b) Details of any payment or provision of any other financial benefit (other than from the relevant authority) made or provided within the relevant period in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. (This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992).
 - (c) Details of any contract which is made between the relevant person (or a body in which the relevant person has a beneficial interest) and the relevant authority under which goods or services are to be provided or works are to be executed; and which has not been fully discharged.
 - (d) Details of any beneficial interest in land which is within the area of the relevant authority.

- (e) Details of any licence (alone or jointly with others) to occupy land in the area of the relevant authority for a month or longer.
- (f) Details of any tenancy where (to your knowledge) the landlord is the relevant authority; and the tenant is a body in which the relevant person has a beneficial interest.
- (g) Details of any beneficial interest in securities of a body where that body (to your knowledge) has a place of business or land in the area of the relevant authority; and either the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or if that share capital of that body is of more than one class, the total nominal value of the shares of any one class in which the relevant person has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

For the purposes of the foregoing “relevant authority” means the District Council, and “relevant period” means the period of 12 months ending with the day on which you notify the Monitoring Officer of your disclosable pecuniary interest.

Notification of Other Interests

5. In addition to the disclosable pecuniary interests, you must, within 28 days of the Code being adopted by or applied to your authority; or your election or appointment to office (where that is later), notify the Monitoring Officer in writing of the details of your interests within the following categories, which the Council has decided must be included in the register of interests:

- (a) Details of any unpaid Directorships;
- (b) Details of any body of which you are a member or in a position of general control or management and to which you are appointed or nominated by the District Council;
- (c) Details of any body of which you are a member or in a position of general control or management and which –
 - (i) exercises functions of a public nature,
 - (ii) is directed to charitable purposes or
 - (iii) is a body which includes as one of its principal purposes influencing public opinion or policy (this includes political parties or trade union);
- (d) Details of any persons from who you have a received/rejected a gift or hospitality with an estimated value of at least £50. (You must register any gifts and hospitality worth £50 or over that you receive/reject personally in connection with your official duties).

What is a “body exercising functions of a public nature”?

6. Although it is not possible to produce a definitive list of such bodies, here are some criteria to consider when deciding whether or not a body meets that definition:
 - Does that body carry out a public service?
 - Is the body taking the place of local or central government in carrying out the function?

- Is the body (including one outsourced in the private sector) exercising a function delegated to it by a public authority?
- Is the function exercised under legislation or according to some statutory power?
- Can the body be judicially reviewed?

Unless you answer “yes” to one of the above questions, it is unlikely that the body in your case is exercising functions of a public nature.

Examples of bodies included in this definition: government agencies, other councils, public health bodies, council-owned companies exercising public functions, arms-length management organisations carrying out housing functions on behalf of your authority, school governing bodies.

If you need further information or specific advice, please contact your Monitoring Officer.

Here are some definitions from the legislation that may help you. Ask for advice if necessary:

“the Act”	means the Localism Act 2011;
“body in which the relevant person has a beneficial interest”	means a firm in which the relevant person is a partner or a body corporate of which the relevant person is a director, or in the securities of which the relevant person has a beneficial interest;
“director”	includes a member of the committee of management of an industrial and provident society;
“land”	excludes an easement, servitude, interest or right in or over land which does not carry with it a right for the relevant person (alone or jointly with another) to occupy the land or to receive income;

"relevant person"	means <ul style="list-style-type: none"> (i) M (ii) M's spouse or civil partner, (iii) a person with whom M is living as husband and wife, or (iv) a person with whom M is living as if they were civil partners,
"securities"	means shares, debentures, debenture stock, loan stock, bonds, units of a collective investment scheme within the meaning of the Financial Services and Markets Act 2000 and other securities of any description, other than money deposited with a building society.

Gifts and Hospitality

7. You must register the gift or hospitality and its source within 28 days of receiving it.
8. You should ask yourself would I have been given/offered this if I was not on the Council? If you are in doubt as to the motive behind a gift or hospitality, we recommend that you register it or speak to the Monitoring Officer or your parish clerk where appropriate.

9. You do not need to register gifts and hospitality which are not related to your role as a member, such as Christmas gifts from your friends and family, or gifts which you do not accept. However, you should always register a gift or hospitality if it could be perceived as something given to you because of your position or if your authority requires you to.

What if I do not know the value of a gift or hospitality?

10. The general rule is, if in doubt as to the value of a gift or hospitality, you should register it, as a matter of good practice and in accordance with the principles of openness and accountability in public life.
11. You may have to estimate how much a gift or hospitality is worth. Also, an accumulation of small gifts you received from the same source over a short period that add up to £50 or more should be registered.

Changes to Interests

12. You must, within 28 days of becoming aware of any new interest or change to any interest registered notify the Monitoring Officer of the details of that new interest or change.

Disclosure of Interests

13. Where you have a registrable interest in any business of your authority, and where you are aware or ought reasonably to be aware of the existence of that interest, and you attend a meeting of your authority at which the business is considered, you must disclose to that meeting the existence and nature of that interest at the commencement of that consideration, or when the interest becomes apparent.

Sensitive interests

14. Where you consider that disclosure of the details of an interest could lead to you, or a person connected with you, being subject to violence or intimidation, and the Monitoring Officer agrees, if the interest is entered on the register, copies of the register that are made available for inspection and any published version of the register will exclude details of the interest, but may state that you have an interest, the details of which are withheld.

What is sensitive information?

15. It may include your sensitive employment (such as certain scientific research or the Special Forces) or other interests that are likely to create serious risk of violence or intimidation against you or someone who lives with you.
16. You should provide this information to your Monitoring Officer and explain your concerns regarding the disclosure of the sensitive information; including why it is likely to create a serious risk that you or a person who lives with you will be subjected to violence or intimidation. You do not need to include this information in your register of interests, if your Monitoring Officer agrees but you need to disclose at meetings the fact that you have a disclosable pecuniary interest in the matter concern.

Non participation in case of disclosable pecuniary interest

17. If you are present at a meeting of the Council, Executive or any committee, sub-committee, joint committee or joint sub-committee of the authority, and you have a disclosable pecuniary interest in any matter to be considered or being considered at the meeting:
 - You may not participate in any discussion of the matter at the meeting.
 - You may not participate in any vote taken on the matter at the meeting.
 - If the interest is not registered, you must disclose the interest to the meeting.
 - If the interest is not registered and is not the subject of a pending notification, you must notify the Monitoring Officer of the interest within 28 days.

Dispensations

19. The Monitoring Officer or Standards Committee may grant you a dispensation, but only in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest. These circumstances are where:
 1. It is considered that without the dispensation the number of persons prohibited from participating in any particular business would be so great a proportion of the body transacting the business as to impede the transaction of the business.
 2. That, without the dispensation, the representation of different political groups on the body transacting any particular business would be so upset as to alter the likely outcome of any vote relating to the business.
 3. That, without a dispensation, no member of the Executive would be able to participate on this matter.
 4. That the authority considers that the dispensation is in the interests of persons living in the authority's area
 5. That the authority considers that it is otherwise appropriate to grant a dispensation.

Offences

20. It is a criminal offence to
 - Fail to notify the Monitoring Officer of any disclosable pecuniary interest within 28 days of election
 - Fail to disclose a disclosable pecuniary interest at a meeting if it is not on the register
 - Fail to notify the Monitoring Officer within 28 days of a disclosable pecuniary interest that is not on the register that you have disclosed to a meeting
 - Participate in any discussion or vote on a matter in which you have a disclosable pecuniary interest
 - As an executive member discharging a function acting alone, and having a disclosable pecuniary interest in such a matter, failing to notify the Monitoring Officer within 28 days of the interest.
 - Knowingly or recklessly providing information that is false or misleading in notifying the Monitoring Officer of a disclosable pecuniary interest or in disclosing such interest to a meeting

The criminal penalties available to a court are to impose a fine not exceeding level 5 on the standard scale and disqualification from being a councillor for up to 5 years.

Bias/Predetermination

Although not part of the Code, members need to be clear that they are not biased going into the decision making process.

If you have a personal interest in a matter as a result of the matter affecting the well-being or financial position of yourself, member of your family or close association more than it would affect the majority of other people in the ward or electoral divisions affected by the decision, or in the authority's areas or constituency then there may be potential for bias/predetermination.

The rules against bias say that there are three distinct elements. The first seeks accuracy in public decision-making and the second seeks the absence of prejudice or partiality on the part of you as the decision-maker. An accurate decision is more likely to be achieved by a decision-maker who is in fact impartial or disinterested in the outcome of the decision and who puts aside any personal prejudices.

The third requirement is for public confidence in the decision-making process. Even though the decision-maker may in fact be scrupulously impartial, the appearance of bias can itself call into question the legitimacy of the decision-making process. In general, the rule against bias looks to the appearance or risk of bias rather than bias in fact, in order to ensure that justice should not only be done, but should manifestly and undoubtedly be seen to be done.

To varying degrees, these “requirements” might be seen to provide the rationales behind what are generally taken to be three separate rules against bias: “automatic” (or “presumed”) bias, “actual” bias and “appearance” bias.

The rationale behind “automatic” or “presumed” bias appears to be that in certain situations (such as if you have a pecuniary or proprietary interest in the outcome of the proceedings) then it must be presumed that you are incapable of impartiality. Since a motive for bias is thought to be so obvious in such cases, the decisions are not allowed to stand even though no investigation is made into whether the decision-maker was biased *in fact*. **In these circumstances you should not participate in a decision.**

The Localism Act 2011 has enshrined the rules relating to pre-disposition and predetermination into statute. In essence you are not taken to have had, or appeared to have had, a closed mind when making a decision just because you have previously done anything that directly or in-directly indicated what view you may take in relation to a matter and that matter was relevant to the decision.

So, you are entitled to have a pre-disposition one way or another as long as you have not pre-determined the outcome. You are able to express an opinion providing that you come to the relevant meeting with an open mind, able to take account of all of the evidence and make your decision on the day.

What does “affecting well-being” or “financial position” mean?

The term “well-being” can be described as a condition of contentment and happiness. Anything that could affect your quality of life, either positively or negatively, is likely to affect your well-being.

A personal interest can affect you, your family or close personal associates positively and negatively. So if you or they have the potential to gain or lose from a matter under consideration, a personal interest would need to be declared in both situations.

Who is a member of your family or close association?

A member of your family should be given wide meaning. It includes a partner (someone you are married to, your civil partner, or someone you live with in a similar capacity), a parent, parent-in-law, a son or daughter, a stepson, or stepdaughter, the child of a partner, a brother or sister of yourself or your partner, a grandparent, a grandchild, an uncle or aunt, a nephew or niece and the partners of any of these people.

A person with whom you have a close association is someone that you are in either regular or irregular contact with over a period of time who is more than an acquaintance. It is someone a reasonable member of the public might think you would be prepared to favour or disadvantage when discussing a matter that affects them. It may be a friend, a colleague, a business associate or someone whom you know through general social contacts.

What if I am not aware of my personal interest?

Clearly you cannot be expected to declare something of which you are unaware. However you should not ignore the existence of interests which, from the point of view of a reasonable and objective observer, you should have been aware. If you become aware, or should have realised, that you have an interest during consideration of the item, you should immediately declare this and take the appropriate action.

When must I leave the room where the meeting is held?

You must leave immediately before any debate starts.

Non participation in case of pecuniary interest

Disclosable Pecuniary Interests

Subject to the following paragraph below if you have a disclosable pecuniary interest in any matter to be considered, or being considered, at the meeting, then you should declare that interest to the meeting and should leave the room whilst any discussion or vote takes place.

If a dispensation has been granted to you in relation to a disclosable pecuniary interest then, subject to the terms of the dispensation, you may be relieved from the above restrictions but will still be required to declare the interest to the meeting.

Where you have a disclosable pecuniary interest in any business of the Council, you may attend a Meeting but only for the purpose of making representations, answering questions or giving evidence relating to the business, provided that the public are also allowed to attend the Meeting for the same purpose, whether under a statutory right or otherwise. Once any such representations etc have been made, the Member should leave the room whilst any discussion or vote takes place.

This would mean that as under current arrangements, Members will leave the room during an item in which they have a Disclosable Pecuniary Interest.

In the interests of transparency it is good practice for you to make the nature of a disclosable interest known when such a matter arises at a meeting. You should identify the nature of the interest which you have in any matter so that is known and understood by all and is a matter of public record. If a declaration is not made, other than through the register, it would not necessarily be apparent to anyone who is present at the meeting why a particular Member is not participating or voting in any matter.

WESTMORLAND AND FURNESS JOINT COMMITTEE

Meeting date: 11 April 2022

Report of: Linda Fisher, Monitoring Officer and Technical Lead, Legal and Democratic Workstream (South Lakeland District Council)

Subject: Civic and Ceremonial Matters

1.0 SUMMARY:

- 1.1** This report informs Members about the work currently being undertaken in respect of civic and ceremonial matters and updates on the timetable for the Consequential Order to implement the establishment of Charter Trustees to preserve the Civic and Ceremonial Rights of the existing Councils.

2.0 RECOMMENDATIONS:

- 2.1** That the Joint Committee note the work being undertaken and timings provided by the Department for Levelling Up, Housing and Communities (DLUHC) in respect of the Consequential Order.

3.0 BACKGROUND, INTRODUCTION AND CONSIDERATIONS:

- 3.1** The Cumbria (Structural Changes) Order 2022 (SCO) which came into force on 18 March 2022 sets out the main provisions governing the administrative reorganisation of the seven Cumbrian Councils. Members will be aware that the seven Councils will cease to exist and be replaced by two new unitary councils on 1 April 2023.
- 3.2** Arising from the closure of the councils there are many matters relating to Civic and Ceremonial affairs that arise some of which are dealt with in the SCO and others which will need further attention, including in some cases, further legislative provision, known as “mopping up” or Consequential Orders. This is not an unusual approach and research has shown that in respect of previous local government reorganisations there were also Consequential Orders. These allow the sovereign councils to work together and establish those matters, particular to their communities, that need to be dealt with and addressed via a legislative process. It covers many locally specific matters, not just those of a Civic and Ceremonial nature.
- 3.3** Those Civic and Ceremonial matters which are provided for in the SCO, so will be dealt with and not require further intervention, include:
- 3.3.1 The High Sherriff and Lord Lieutenant** – Articles 28 and 29 of the SCO, amend the relevant legislation that governs the areas for the purposes of lieutenancies and the sheriffs. The area of “Cumbria” is to comprise the local government areas of “Cumberland, Westmorland and Furness”. This means that the High Sheriff and Lord Lieutenant for Cumbria will from 1 April 2023 preside over both new unitary councils as one single area, known as Cumbria. The issues that will need exploring further in relation to these ceremonial posts are:

- The arrangements for hosting and clerking of the Lord Lieutenant. This function is currently carried out by the Chief Executive of Cumbria County Council. Options are being explored on possible models, it is likely that either Cumberland or Westmorland and Furness will need to host and clerk the service.
 - The appointment of the new Lord Lieutenant. Her current term of office expires in June 2023 and a process of appointing a replacement will commence in Autumn 2022.
 - No consideration or action is needed in respect of the High Sheriff as these are appointed by central government appointments committee on an annual basis and the appointments for the next 3 years are already in place.
- 3.4** Other civic and ceremonial matters however are not covered in the SCO and will need addressing by way of further legislation. Assurance has been given by the civil servants that DLUHC will be including these within a Consequential Order for Cumbria. The timetable which has been provided for this is that they will engage with the relevant officers in the respective councils between now and Autumn 2022 with the intention of laying further legislation for parliamentary approval at the start of 2023.
- 3.5** This report illustrates examples of the traditions that it is anticipated each council may wish to preserve and outlines the options available to secure the continuation of these matters, the legal basis, the associated issues and consequential (or other) arrangements that will need to be put in place. Although not exhaustive, examples of Civic and Ceremonial Rights, Privileges, Property and Insignia requiring retention includes:
- The Mayoralty for those councils which are set to be abolished
 - Honorary Freemen and Honorary Aldermen
 - Historic market and other Charters
 - Freedoms of the Boroughs
 - Armorial Bearings
 - Civic and Ceremonial Property and Regalia (including robes, chains, badges of office, maces, swords, plate, books, oars, wands, banners, staves, goblet and halberds and Royal Charters) and the varying arrangements with museums in operation throughout Cumbria.

3.6 Mayoralty:

- 3.6.1** The Mayoralty is an important and respected role in the history of the Cumbrian Cities, towns and boroughs. Cumbria has the following Mayors, within the Westmorland and Furness area whom residents view as a figurehead for community engagement, fund raising and civic pride. Their continuation will be important in supporting the acceptability of change, maintaining and developing positive contact with the community and retaining a sense of local identity. The majority of Mayors are Mayors of Town Councils which will remain unchanged, we have identified only the Mayor of Barrow which is an unparished area as one that needs to be addressed:

3.6.2 Mayors

- Barrow-in-Furness

3.6.3 Towns Mayors

- Appleby-in-Westmorland
- Broughton-in-Furness
- Dalton-in-Furness
- Grange-over-Sands
- Kendal
- Penrith
- Ulverston
- Windermere & Bowness

3.6.4 Where these are already in place the Mayoralty will remain with the Town or Parish, be preserved and no changes will be needed, however, in unparished areas, there are two options available for ensuring that these traditions are respected and maintained for future generations; the establishment of Charter Trustees or creation of Parish Councils.

3.7 Charter Trustees

3.7.1 Charter trustees are established under the Local Government Act 1972 and are given effect to by further legislation (the Consequential Order) in local government reorganisation for towns and cities which have a Royal Charter but which will otherwise lose their status as local government entities following local government restructures.

3.7.2 Charter trustees are a representative body consisting of members who are elected to represent the area where the ceremonial rights and privileges are to be preserved.

3.7.3 In order to preserve the current mayoralty, together with the Civic and Ceremonial Rights, Privileges, Property and Insignia, Barrow in Furness Borough Council have formally resolved to support the establishment of Charter Trustees and officers have requested that DLUHC include the necessary provisions in the Consequential Order in respect of each mayoral area which is unparished.

3.7.4 Each set of Charter Trustees would therefore comprise the councillors elected and representing those wards in Barrow which are covered by the respective trustee area.

3.7.5 The functions of a charter trustee are limited to preserving (including the insurance of) historic property, privileges, rights and traditions presently enjoyed by a local authority which is to be abolished.

- 3.7.6** “Historic property” means any charter, insignia, plate or other property which is of an historic and ceremonial nature, held by a relevant council, other than land and buildings or any property held for the purposes of any statutory function. A full inventory is being compiled of all the historic and ceremonial assets owned by the relevant councils. It should be noted that ‘preserving’ historic property includes arranging insurance.
- 3.7.7** Charter trustees are not permitted to administer mayoral charities and cannot fulfil a twinning role. These will be functions of the unitary authority.
- 3.7.8** Charter trustees cannot be wound up at a later stage. They only cease if their privileges and rights are transferred to a parish or town council which could follow a Community Governance Review.

3.8 Community Governance Reviews

- 3.8.1** Under the Local Government and Public Involvement in Health Act 2007, a principal council in England may undertake a Community Governance Review (‘CGR’), either on its own initiative or in response to a petition from local electors.
- 3.8.2** The CGR examines whether one or more parishes should be created, divided, merged or abolished in order to ensure that local government arrangements are ‘effective and convenient and ‘reflect the identities and interests of the community in that area’. The new parish may be able to have a parish council if there are sufficient electors in its area, which council will be able to style itself as a parish, town, community or city council.
- 3.8.3** As referenced above, a Community Governance Review is currently underway in Barrow, The Structural Changes Order contains provisions to enable the Shadow Authority to commence or continue from any stage that the CGR has reached.
- 3.8.4** At the time of writing this report, Barrow is undergoing the first consultation stage following which final recommendations will be prepared for the second consultation stage.
- 3.8.5** Unlike charter trustees, parish and town councils are permitted to administer charities and can fulfil a twinning role.

3.9 Freedoms

- 3.9.1** There are two types of freedoms – hereditary freedoms and honorary freedoms.
- 3.9.2** Hereditary Freedom is granted to descendants of freemen of a city or town who will benefit from certain privileges and rights, although most of those rights and privileges have now been ended by statute.

3.9.3 Honorary Freedom is different from the status of freeman. It is purely honorary in nature and confers no rights on the person so recognised. All principal councils, parish and community councils, and Charter Trustees in England may confer the title on persons of distinction or who have rendered eminent services to the local area.

3.9.4 The Local Government (Structural Changes) (Transitional Arrangements) No 2 Regulations 2003 provide that, after reorganisation, honorary freemen will continue to be freemen of an area corresponding to the area of which they were freemen prior to the reorganisation. Further, the Regulations preserve the rights of honorary freemen and ensure that services rendered to an abolished council can be treated as services rendered to the continuing or new council.

3.9.5 It is proposed that honorary freedoms are awarded going forward by the existing town councils and by the new Charter Trustees in Barrow.

3.10 Ceremonial and Historic Property and Civic Regalia

3.10.1 Civic and Ceremonial Regalia and property are those chattels and property which are not held for the purpose of any statutory function. This includes such items as robes, chains and badges of office, medallions, ceremonial collar, brooches, pendants, mayors jewel with coat of arms, maces, swords, plate, goblet and books. It also includes Royal Charters.

3.10.2 There are different arrangements on the part of the respective authorities for their insignia and regalia. Some is held by the authorities within their civic buildings. Others are on public display. A full list of items is being compiled and research and investigation is ongoing to determine the nature of contractual arrangements with museums. . Such property may transfer to the new authority or to existing town and parish councils, or to the Charter Trustees and contractual arrangements may transfer by operation of law to the new authority or by novation or assignment to existing town and parish councils or to Charter Trustees.

3.11 Town Twinning

3.11.1 The table below sets out the various twinning arrangements operated throughout the Westmorland and Furness area.

Town	Twinned with	Administered by
Coniston	Illers-Combray, France, Solto Collina, Riva di Solto, Fonteno, Italy	Coniston Twinning Association
Dalton in Furness	Dalton, Pennsylvania, USA	
Kendal	Rinteln, Germany Killarney, Ireland	Kendal Town Council
Penrith	Penrith, New South Wales, Australia	Eden District Council
Sedbergh	Zrece, Slovakia	Sedbergh Town Twinning Group
Ulverston	Albert, France	Ulverston Town Council
Windermere	Diessen, Germany	Windermere and Bowness Town Council

3.11.2 Town Twinning is a function which originates from the post-war period to foster friendship and understanding throughout Europe and, latterly, the world. Local Authorities are able to participate in twinning arrangements by virtue of the Local Government (Overseas Assistance) Act 1993. It is not possible to transfer the twinning function to Charter Trustees, whose functions are set out in the Charter Trustee Regulations 2009 and, therefore, it is proposed that the function shall transfer to the new authority.

4.0 OPTIONS, INCLUDING ALTERNATIVES (IF ANY)

4.1 The report sets out the various approaches which are proposed in relation to the different matters. It is important that action is taken so that historic rights and privileges are not lost.

4.2 The report is for noting at this stage and further reports will be brought to the Shadow Authority or Sovereign Council's as appropriate.

5.0 IMPLICATIONS:

5.1 Financial:

5.1.1 There are no direct financial implications from this report as it is for noting. As part of the overall disaggregation and aggregation of revenue budgets process the associated existing revenue budgets available to support the Lord Lieutenant will be identified and transferred as appropriate. This will also be the case for any revenue budgets available to support Mayors. In addition the ceremonial and historic property and civic regalia will transfer as determined through the disaggregation of assets and liabilities process and in accordance with the Shadow Authorities decisions.

5.1.2 Where required the financial implications from future decisions by the Shadow Authorities in respect of the Community Governance Review will be reflected in the development of the relevant Unitary Authorities revenue budgets and Medium Term Financial planning.

5.2 Staffing:

5.2.1 There are no direct implications associated with this report, aside from a decision will need to be made by the Shadow Authority in respect of the hosting and the appointment of the clerk to the Lord Lieutenant.

5.3 Legal:

5.3.1 The Joint Committee has within its Terms of Reference the requirement to oversee the smooth transition of all matters Civic and Ceremonial.

5.3.2 The Cumbria (Structural Changes) Order 2022 – articles 28 and 29 amend the Lieutenancies Act 1997 and the Sheriffs Act 1887 to transfer the relevant geographical area from Cumbria to Cumberland, Westmorland and Furness for both the High Sheriff and the Lords-Lieutenant.

5.3.3 In the absence of further action, those areas without a parish may lose important historic rights as set out in this report. Accordingly, the Consequential Order will include provisions to establish Charter Trustees.

5.4 Information Governance:

5.4.1 There are no direct Information Governance implications associated with this report

6.0 HEALTH AND SUSTAINABILITY IMPACT:

6.1 There are no direct implications associated with this report.

6.2 EQUALITY AND DIVERSITY IMPACT:

6.3 There are no direct implications associated with this report.

7.0 RISKS:

7.1 If action is not taken, there is a risk that the civic and ceremonial rights outlined in this report will cease on 31 March 2023. The report sets out the action which is proposed to ensure that these rights are not lost.

8.0 CONCLUSION:

8.1 This report updates members on civic and ceremonial matters affecting the transfer of functions between the predecessor and new councils which will take effect from 1 April 2023.

WESTMORLAND AND FURNESS JOINT COMMITTEE

Meeting Date: 11 April 2022

Report of: Linda Fisher – Technical Lead, Legal and Democratic Workstream and Monitoring Officer (South Lakeland District Council)

Subject: Proposed Shadow Authority Constitution

1.0 SUMMARY

- 1.1** This report recommends a Constitution for adoption by the Shadow Authority for Westmorland and Furness Council at its first meeting on 17 May 2022.

2.0 RECOMMENDATIONS

2.1 That the Joint Committee:-

- 1. reviews the draft Constitution and provides feedback;**
- 2. subject to any required amendments, recommends the said Constitution for adoption by the Westmorland and Furness Shadow Authority at its inaugural meeting on 17 May 2022 and thereby, amongst other things, creates a Leader and Cabinet Executive within the meaning of Part 1A of the Local Government Act 2000; and**
- 3. delegates authority to the Monitoring Officer for South Lakeland District Council, following consultation with the Chair and Vice-Chair of the Joint Committee to make further amendments which may be beneficial between the date of today's Joint Committee Meeting and the publication of the relevant report for the Westmorland and Furness Shadow Authority.**

3.0 BACKGROUND

- 3.1** The Cumbria (Structural Changes) Order 2022 ("the SCO") changes the arrangements for local government in the County of Cumbria. Two new Unitary Authorities will come into existence, one known as Cumberland Council and the other as Westmorland and Furness Council.
- 3.2** The two new Councils assume full responsibility for functions from 1 April 2023 onwards (vesting day) but elections will be held on 5 May 2022 for the Authorities. From the fourth day after the 2022 election until immediately before vesting day what are to be known as Shadow Authorities will exist.

3.3 Part 3 of the SCO sets out what is required of the Shadow Authorities and the role includes:

- the creation of a Leader and Cabinet Executive;
- the designation of Interim Head of Paid Service, Monitoring Officer and Chief Finance Officer (s151);
- the appointment, before 31 December 2022, of the Authority's Head of Paid Service, Monitoring Officer and Chief Finance Officer (s151)
- adoption of a code of conduct for the Shadow Authority;
- formulation of proposals for a scheme of Members' allowances;
- discharge of functions via the shadow executive;
- review and revise the Implementation Plan;
- commence and sustain their running as Shadow Authorities;
- prepare the authorities for the assumption, as Cumberland or Westmorland and Furness Council, of local government functions and full local authority powers on 1 April 2023;
- preparation of any budgets or plans required by Cumberland or Westmorland and Furness Council when those functions are assumed;
- liaison with the county council and relevant district councils and the other Shadow Authority for the purpose of ensuring continuity of service delivery of public services on and after 1 April 2023; and
- complying with the Article 24 Direction (approval of prescribed capital and revenue expenditure by the existing councils)

3.4 The Shadow Authorities have all of the powers of a non-metropolitan county council or a non-metropolitan district council but it is important to note that the Shadow Authorities only carry out the restricted role prescribed in the SCO and other relevant legislation. During the shadow period the county council and the six districts remain responsible for the delivery of all of their existing services.

3.5 Each of the Cumberland and Westmorland and Furness Councils will require a Constitution for the shadow period in order to facilitate its activities. It is important to note that the shadow authority Constitution is a different document to the unitary Council Constitution which will be required post vesting day with the latter document having to cover all functions and services delivered by the new Councils.

3.6 The Monitoring Officer Constitution workstream reviewed several examples of previous shadow authority constitutions with a view to identifying best practice currently available. The proposed Shadow Authority constitution is attached to this report as Appendix 1.

3.7 THE PROPOSED SHADOW AUTHORITY CONSTITUTION

3.8 The Constitution contains the following sections:

- The Powers and Duties of the Shadow Authority
- The Shadow Authority: shadow member roles, the Chair, the Leader, allowances, conduct etc.
- The rights and responsibilities of members of the public
- Functions of the Shadow Authority
- Role of the Chair
- Overview and Scrutiny
- The Shadow Executive: Leader, Deputy Leader and other members
- Other Committees: Senior Appointments Committee and Standards Committee
- The Code of Conduct
- Functions of Officers: Head of the Paid Service, Monitoring Officer and Chief Finance Officer
- Decision making and legal matters
- Review and revision of the Constitution
- Budget and Policy Framework
- Responsibility for Functions
- Procedure Rules: Access to Information, Executive, Overview and Scrutiny and meeting rules
- Financial Procedure Rules

3.8 It is important to note that this is a proposed Constitution drafted for a body of Members not yet in existence. It is intended to be a workable document but one which is easily amended to cater for the wishes of the new Council. Any Member may request the Monitoring Officer to amend the Constitution and if the proposed change is compliant with statute and not likely to conflict with policy then a report will be submitted to the Shadow Authority. The Monitoring Officer may also make minor amendments (following a consultation process with the Chief Finance Officer, the Leader and the Chair) to reflect legislative changes or for any other reason providing no power reserved to the Shadow Authority is changed. These matters would then be reported to the next meeting of the Shadow Authority.

3.9 The Executive is to be the Leader plus between two and nine appointed persons.

3.10 The Shadow Authority will have three committees and the Constitution provides that the Overview and Scrutiny Committee will have twelve members whilst the Senior Appointments Committee and the Standards Committee will each have seven members. The Overview and Scrutiny workstream preference is for one Scrutiny Panel which then utilises task and finish groups.

- 3.11** The Chair of the Shadow Authority includes the remit of attending such civic events as are appropriate, for example Remembrance Sunday. Any such events will continue to be organised by the relevant existing local authorities.
- 3.12** Part 3 of the SCO requires that the Shadow Authority, at its first meeting, must create a leader and cabinet executive in accordance with Part 1A of the Local Government Act 2000 and this is achieved via the adoption of the Constitution.
- 3.13** The obligation is to adopt suitable arrangements at the first meeting of the new Shadow Authority but, of course, Members may have different views as to what they wish their Constitution to contain and provide for. To this end, Members should note the ability for the Constitution to be easily amended in accordance with Members' wishes. If Members of the Shadow Authority wish their Constitution to have different provisions then the recommended course of action is for them to approve the proposed Constitution and instruct officers to report to the next Shadow Authority meeting appropriate revisions to the said Constitution.
- 3.14 FURTHER WORK**
- 3.15** Members of the Joint Committee will acknowledge that the Constitution for the Shadow Authority is a significant piece of work. The members of the Joint Committee may have amendments that they wish to be made and, in addition, the Monitoring Officers would welcome the ability to continue to work on the document prior to submission to the inaugural meeting of the Shadow Authority. In relation to this last point it is recommended that the Joint Committee approve the Constitution, subject to any changes they wish to see incorporated, and also delegate authority to the Monitoring Officers, following consultation with the Chair and Vice-Chair of the Joint Committee to make such further amendments to the document which may be felt to be beneficial. Any such changes would be reported to the May meeting of the Joint Committee.
- 3.16 SECTION 24 OF THE PUBLIC INVOLVEMENT IN HEALTH ACT 2007**
- 3.17** Members will be aware that the Government intend to issue a direction pursuant to section 24 of the Public Involvement in Health Act 2007 which, briefly, will regulate the ability of the existing Councils to enter into certain contracts and arrangements. The section is referenced within the body of the Constitution by way of acknowledgement of the role of the Shadow Authority in the process, however, the said role and a protocol for dealing with the requirements will be the subject of a separate, detailed report to the Shadow Authority setting out the detailed mechanism about how the process will be implemented.

3.18 FURTHER CONSULTATION

- 3.19** The draft Constitution has been consulted upon with all of the various workstreams and the Chief Executives' Programme Board.

4.0 OPTIONS, INCLUDING ALTERNATIVES (IF ANY)

- 4.1** The Shadow Authority must have suitable arrangements in place to comply with the law and its requirements. The recommended option for the Joint Committee is to consider the appended draft constitution and suggest any amendments it wishes.
- 4.2** As stated within the body of the report, it will be helpful to allow the draft constitution to continue to be worked upon up to the first meeting of the Shadow Authority so it is suggested that the Joint Committee delegate authority to the Monitoring Officers to continue to work upon the document and make any appropriate amendments following consultation with the Chair of the Joint Committee.

5.0 IMPLICATIONS

5.1 Financial and Procurement

- 5.1.1** There are no direct financial or procurement issues arising from this report but the proposed Constitution does set in place the framework of financial rules within which the Shadow Authority will operate. The Section 151 Officers have input into the formulation of the said rules.

5.2 Staffing

- 5.2.1** The proposed Constitution does include the Shadow Authority's officer employment procedure rules which are of particular relevance to the required appointment of both the interim and permanent Statutory Officer posts.

5.3 Legal

- 5.3.1** The Monitoring Officers workstream has drafted the report and Constitution to deliver the requirements of the Structural Change Order and a sound Constitution. The Constitution has been drafted in such a way that it may easily be amended to cater for the needs of the Shadow Authority during its existence in 2022/23.

5.4 Information Governance

- 5.4.1** There are no direct information governance issues arising though the Constitution does identify the Monitoring Officer as the proper officer to deal with data protection issues.

6.0 HEALTH AND SUSTAINABILITY IMPACT

- 6.1** There are no direct health and sustainability implications associated with this report.

6.2 EQUALITY AND DIVERSITY IMPACT

- 6.3** There are no direct equality and diversity implications associated with this report.

7.0 RISKS

- 7.1** The proposal of a suitable Constitution is a role of the Joint Committee and the risk in not so proposing the document is that the Shadow Authority will not have the required Constitution to facilitate its operation.

8.0 CONCLUSION

- 8.1** This report provides members of the Joint Committee with an opportunity to provide comments on the draft Constitution. It requests a specific delegation to the Monitoring Officer, the Chair and Vice-Chair of the Joint Committee to make any further amendments. It proposes that a report is brought back to the final meeting of the Joint Committee with any amendments. The report ensures we meet the requirements of the SCO and the Terms of Reference for the Joint Committee.

The Shadow Authority and how it operates in making decisions

There are 65 Shadow Members who sit on the Shadow Authority. The Members who comprise the Shadow Authority are the persons who were elected as members of Westmorland and Furness Council on the ordinary day of elections of councillors in 2022. The role of the Shadow Authority is to:

- Prepare for the assumption as Westmorland and Furness Council of local government functions and full local authority powers on 1 April 2023;
- Prepare budgets and plans required by Westmorland and Furness Council when local government functions are assumed on 1 April 2023; and
- Liaise with Cumbria County Council, the Westmorland councils and Westmorland and Furness Shadow Authority to ensure continuity of public service delivery on and after 1 April 2023 and thereafter.
- Carry out all functions prescribed by the Cumbria Structural Changes Order 2022, namely:
 - Create the Shadow Executive;
 - Adopt a code of conduct for the Shadow Authority;
 - Designate an interim monitoring officer, interim chief finance officer and interim head of paid service;
 - Appoint a monitoring officer, chief finance officer and head of paid service;
 - Prepare and adopt a scheme of members' allowances;
 - Keep under review and revise as necessary the implementation plan for Westmorland and Furness Council;
 - Take all such practical steps as are necessary or expedient to commence and sustain their running as shadow authorities.
- Carry out any other function or role prescribed by any other relevant legislation.

The Shadow Members are directly accountable to their constituents for the running of the Shadow Authority. Whilst Shadow Members have this very broad role they have a duty to represent the interests of all their constituents. They also work closely with officers in developing policies and strategies to give direction to the Shadow Authority's vision .

The Shadow Authority will meet during the Shadow Period. Meetings are open to the public, but the public may be excluded where an item of a confidential or exempt nature is being discussed.

There are two main areas in the Shadow Authority's political structure covering the Shadow Executive and Overview and Scrutiny. These are covered in more detail within the Constitution.

Executive

At its first meeting, the Shadow Authority for Westmorland and Furness must create a leader and cabinet executive within the meaning of Part 1A of the Local Government Act 2000. The cabinet executive will comprise of the executive leader together with at least 2, but not more than 9, shadow authority councillors appointed to the executive by the executive leader. The leader must appoint one of the members of the executive as deputy leader.

The Shadow Executive is that part of the Shadow Authority which is responsible for most of the day-to-day decisions.

The leader of the Westmorland and Furness Shadow Executive is appointed by the Shadow Authority for Westmorland and Furness.

Should a vacancy occur in the office of leader of the Shadow Executive during the Shadow Period, the Shadow Authority must elect a new leader and from among members of the Shadow Authority.

Any Key Decisions to be made by the Shadow Executive are published on a monthly basis in the Shadow Executive Forward Plan which looks at the forthcoming four-month period. It is not always possible to anticipate all the items to be included in the Plan. In cases where this is not possible items will be added to the Plan at the next date of publication. Special arrangements apply where a matter is urgent or cannot be included in the Plan.

Overview and Scrutiny Committee

The Shadow Authority's Overview and Scrutiny arrangements ensure that Shadow Members who are not on the Shadow Executive can be involved in Shadow Executive decisions by questioning and making recommendations.

The Overview and Scrutiny arrangements will reflect as far as practicable the overall political proportionality of the Shadow Authority. Members of the Shadow Executive cannot sit on the Overview and Scrutiny Committee.

General

In performing their various roles, Shadow Members are supported by the Officers who give advice and implement decisions. Officers ensure the Shadow Authority acts within the law and uses resources efficiently and effectively.

As the Shadow Authority is a public body, members of the public have a number of rights in their dealings with it. Whilst some are legal rights such as the right to film, audio record or to report on meetings, others will depend on the Shadow Authority's own processes. These rights are set out in Parts 2 and 4 of this Constitution.

The Constitution will be updated to reflect changes within the Shadow Authority, its procedures and processes.

6.3 Exempt information is information falling within any of the categories set out in Appendix 1 subject to the conditions noted in that Appendix.

7 Exclusion of the Public from Meetings

8 No public right of access to agenda papers

- 8.1 The Monitoring Officer, where they consider it necessary, may refuse access by the public to any agenda or supporting papers which in their opinion relate to items during which, in accordance with Rule 7 above, the meeting is not to be open to the public. Any such papers will be clearly marked “Not for Publication” and will contain the category of information to be disclosed as set out in Appendix 1 to these Rules. Similar provisions apply to the disclosures of documents related to decisions of the Shadow Authority, including the Shadow Executive.

9 The Shadow Executive: Application of these Rules

- 9.2 Where the Shadow Executive, including a Committee or Sub-Committee of the Shadow Executive meet to discuss a Key Decision, with an Officer or Officers present, within 28 days of the date according to the Forward Plan by which it is to be decided, then the Shadow Executive must comply with Rules 1 to 8 above unless Rule 12 (general exception) or 13 (special urgency) apply. This requirement does not apply where the sole purpose of the meeting is for officers to brief Shadow Members.

10 Procedure before taking a Key Decision

- 10.1 Subject to Rules 12 or 13, a Key Decision cannot be taken unless:
- (a) a notice (“the Forward Plan”) has been published in connection with the matter in question and made available to the public at the main office of the Shadow Authority; and
 - (b) at least 28 clear calendar days have elapsed since publication of the Forward Plan; and
 - (c) where the decision is to be taken at a meeting of the Shadow Executive, including a Committee or Sub-Committee of the Shadow Executive, public notice of the meeting has been given under Rule 2 above.

11 The Forward Plan

- 11.1 The Forward Plan will be prepared on behalf of the Leader on a monthly basis to cover a four-month period beginning with the first day of any month. The Forward Plan will be rolled forward and published each month to cover the four-month period beginning again with the new date of publication. There will be instances where it is impracticable to include an item in the Forward Plan. In this case Rule 12 or 13 below will apply.
- 11.2 The Forward Plan will contain such matters considered to be Key Decisions to be taken during the period covered by the Forward Plan.
- 11.3 The Forward Plan will describe in respect of each matter the following particulars:
- (a) the matter relating to the decision to be made;
 - (b) the name and title of the decision taker if an individual, or the name and details of the membership where the decision taker is a body;
 - (c) the date on which, or the period within which, the decision will be taken;
 - (d) the identity of the principal groups whom the decision taker proposes to consult before taking the decision;
 - (e) the means by which any such consultation is proposed to be undertaken;
 - (f) the steps any person might take to make representations to the Shadow Executive or decision taker about the matter before the decision is made, and the date by which those steps must be taken.
 - (g) a list of the documents to be submitted to the decision taker for consideration in relation to the matter;
 - (h) the address from which, subject to any prohibition or restriction on their disclosure, copies of, or extracts from, any document listed in the forward plan is available;
 - (i) that other documents relevant to the matter may be submitted to the decision taker; and
 - (j) the procedure for requesting details of those documents (if any) as they become available.
- 11.4 Where in relation to any matter where the public may be excluded from a public meeting under Rule 7, or documents relating to the decision need not be disclosed to the public, the Forward Plan must contain the particulars of the matter, but may not contain any confidential information, exempt information or particulars of the advice of a political adviser or assistant.

12 General exception for Key Decisions

- 12.1 If a matter which is likely to be a Key Decision has not been included in the Forward Plan then, subject to Rule 13, the decision may still be taken if:
- (a) the decision has to be taken by such a date that it is impracticable to defer the decision until it can be included in the next Forward Plan and until the start of the first month to which the next Forward Plan relates; and

13 Special urgency for Key Decisions

- 13.1 If by virtue of the date by which a Key Decision must be taken, the requirements of Rule 12 above cannot be followed, then the decision can only be taken if the decision maker (if an individual) or the Leader if the decision is to be taken by the Shadow Executive or sub-committee of the Shadow Executive, obtains the agreement of the Chair of the Overview and Scrutiny Committee that the taking of the decision cannot be reasonably deferred. If there is no Chair of the Overview and Scrutiny Committee or if they are unable to act, then the agreement of the Chair of the Shadow Authority, or in his/her absence the Vice Chair will suffice.

- (b) Only one amendment may be moved and discussed at any one time. No further amendment may be moved until the amendment under discussion has been disposed of provided that the Chair may permit two or more amendments to be discussed (but not voted on) together if circumstances suggest that this course would facilitate the proper conduct of the Shadow Authority's business.
- (c) If an amendment is not carried, other amendments to the original motion may be moved.
- (d) If an amendment is carried, the motion as amended takes the place of the original motion. This becomes the substantive motion to which any further amendments are moved.

The notice will state the nature of the item on which they are required to attend to give account and whether any papers are required to be produced for the Committee. Where the account to be given to the Overview and Scrutiny Committee will require the production of a report, then the Shadow Member or Officer concerned will be given reasonable and sufficient notice to allow for its preparation.
- 7.7 Where, in exceptional circumstances, the Member of the Executive or officer is unable to attend on the required date, then the Committee shall, in consultation with the Member of the Executive or officer, arrange an alternative date for attendance within a reasonable timescale, or allow a substitute to attend.

9 Call-in

- 9.1 Call-in is the exercise of the Overview and Scrutiny Committee's statutory power in section 21(3) of the Local Government Act 2000 to review an Executive decision that has been made but not yet implemented. Where a decision is called in and the Overview and Scrutiny Committee decides to refer it back to the Executive Committee for reconsideration, it cannot be implemented until the call-in procedure is complete.
- 9.2 Any decision of the Shadow Executive Committee, an individual Member of the Shadow Executive, or a Key Decision made by an officer under authority delegated by the Shadow Executive, is subject to call-in. A decision may be called-in only once. A recommendation by the Shadow Executive to the Shadow Authority may not be called-in.
- 9.3 The call-in procedure and the powers to refer a decision back for reconsideration may only be exercised by the Overview and Scrutiny Committee, within the remit of its terms of reference.
- 9.4 Call-in of decisions which may be contrary to the budget and policy framework shall be governed by the provisions of the Budget and Policy Framework Procedure Rules set out elsewhere within this Constitution.
- 9.5 The Call-in Procedure

- 9.5.1 Once made, an Executive decision shall be published, in the form of a decision note, within two clear working days on the public website of the Shadow Authority.
- 9.5.2 The decisions digest will bear the date on which it is published and will specify that the decision will be effective on the expiry of five clear working days after the publication of the decision and may then be implemented, unless called-in under this provision within that five clear working day period. The deadline for a call-in request will be specified in the decisions digest.
- 9.5.3 Requests for call-in may be made by submission of a notice in accordance with 9.5.4 below. A request shall only be considered to be valid if signed/authorised by at least four Shadow Members who are not Members of the Executive.
- 9.5.4 A call-in request must be in the form of a written/e-mailed notice submitted to the Monitoring Officer and received before the published deadline. Either one notice containing all required signatures or four separate notices will be acceptable.
- 9.5.5 The notice must set out –
- (a) the resolution or resolutions that the Member(s) wish to call-in;
 - (b) the reasons why they wish the Overview and Scrutiny Committee to consider referring it back to the Executive Committee, with particular reference to the principles of decision making set out within Article 12 (Decision Making); and
 - (c) the alternative course of action or recommendation(s) that they wish to propose.
- 9.5.6 The call-in request will be deemed valid unless either –
- (a) the procedures set out in Procedure Rules 9.5.3 to 9.5.5 above have not been properly followed;
 - (b) a similar decision has been called-in to the Committee previously;
 - (c) the Executive decision has been recorded as urgent in accordance with paragraph 10 below; or
 - (d) the Monitoring Officer, in consultation with the Chair of the Overview and Scrutiny Committee, considers the call-in to be frivolous, vexatious or clearly outside the call-in provisions, in which case the Monitoring Officer may reject the call-in request and write/e-mail to the Members making the request explaining why it was rejected.
- 9.5.7 Before deciding on its validity, the Monitoring Officer may seek clarification of the call-in request from the Member(s) concerned.
- 9.5.8 Upon deciding on its validity, the Monitoring Officer shall forthwith inform the Member(s) concerned, the Leader of the Shadow Authority, Shadow Executive, Shadow Executive Member(s) as appropriate, the Chair and the Vice Chair of the Overview and Scrutiny Committee and the Head of Paid Service.

9.6 Consideration of Call-in requests by the Overview and Scrutiny Committee

- 9.6.1 The Monitoring Officer will ensure that any valid call-in is considered and determined at the next available meeting of the Overview and Scrutiny Committee, or will convene a special meeting if so agreed by the Chair of the Overview and Scrutiny Committee and the decision taker.
- 9.6.2 The Members submitting the request for call-in will be expected to attend the meeting of the Overview and Scrutiny Committee to explain their reasons for the call-in and the alternative course of action or recommendations they wish to propose.
- 9.6.3 Having considered the call-in and the reasons given, the Overview and Scrutiny Committee may –
 - (a) refer it back to the decision-making person or body for reconsideration, normally in time for its next scheduled meeting, setting out in writing the nature of its concerns and any alternative recommendations;
 - (b) refer the decision to the Shadow Authority, if it feels the original decision was outside of the Budget and Policy Framework, after seeking advice of the Monitoring Officer and/or Chief Finance Officer; or
 - (c) decide to take no further action, in which case the original Executive decision will be effective immediately.

9.7 Decision referred back to the Decision Maker

- 9.7.1 If a decision is referred back to the original decision maker, that person or body shall then reconsider the matter, taking into account any concerns and recommendations of the Overview and Scrutiny Committee, and make a final decision, amending the decision or not, giving reasons for their final decision.
- 9.7.2 If a decision relates to an Executive function only the Shadow Executive can ultimately decide the matter.

10 Call-in and Urgency

- 10.1 The call-in procedure set out above shall not apply where the decision being taken is urgent. A decision is urgent if –
 - (a) A call-in would prevent the Shadow Authority reaching a decision that is required by law within a specified timescale; or
 - (b) Any delay likely to be caused by the call-in process would seriously prejudice the Shadow Authority's or the public's interests and the reasons for urgency are reported to the decision-making body or person before the decision is taken.
- 10.2 The decision note shall state whether the decision is an urgent one, and therefore not subject to call-in.

However, when considering any matter in respect of which a member of the Overview and Scrutiny Committee is subject to a formal party whip, the Shadow Member must declare the existence of the whip, and the nature of it before the commencement of the Committee's deliberations on the matter. The declaration, and the detail of the whipping arrangements, shall be recorded in the minutes of the meeting.

13 Task and Finish Panels

- 13.1 The Committee may appoint such task and finish panels as it considers appropriate to undertake specific tasks on its behalf, with the same powers as the Committee, excluding the provision to call-in Executive decisions. Whilst these will be on a task and finish basis in most cases, the Committee is not precluded from establishing such Panels on a more permanent basis subject to regular review. Task and Finish Panel members do not have to be members of the Overview and Scrutiny Committee, but cannot be members of the Shadow Executive.
- 13.2 Where the Committee establish any Panel under Rule 13.1 above, it will set out the name of the Panel, its membership (including the Chair and, if appropriate, the Vice-Chair) and the terms of reference including relevant dates for completion of the task or review.

Part 5 – Code of Conduct, Member/Officer Protocol and other related provisions

WESTMORLAND AND FURNESS SHADOW AUTHORITY MEMBERS' CODE OF CONDUCT

Definitions

For the purposes of this Code of Conduct, a “councillor” means a member or co-opted member of a local authority or a directly elected mayor. A “co-opted member” is defined in the Localism Act 2011 Section 27(4) as “a person who is not a member of the authority but who

- a) is a member of any committee or sub-committee of the authority, or;
- b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee”.

For the purposes of this Code of Conduct, “local authority” includes county councils, district councils, London borough councils, parish councils, town councils, fire and rescue authorities, police authorities, joint authorities, economic prosperity boards, combined authorities and National Park authorities.

Purpose of the Code of Conduct

The purpose of this Code of Conduct is to assist you, as a councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all councillors and your specific obligations in relation to standards of conduct. The LGA encourages the use of support, training and mediation prior to action being taken using the Code. The fundamental aim of the Code is to create and maintain public confidence in the role of councillor and local government.

General principles of councillor conduct

Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, councillors and local authority officers; should uphold the [Seven Principles of Public Life](#), also known as the Nolan Principles.

Building on these principles, the following general principles have been developed specifically for the role of councillor.

In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty
- I act lawfully
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of councillor.

In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community
- I do not improperly seek to confer an advantage, or disadvantage, on any person
- I avoid conflicts of interest
- I exercise reasonable care and diligence; and

- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

Application of the Code of Conduct

This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor.

This Code of Conduct applies to you when you are acting in your capacity as a councillor which may include when:

- You misuse your position as a councillor
- Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a councillor;

The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication
- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

You are also expected to uphold high standards of conduct and show leadership at all times when acting as a councillor.

Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct. Town and parish councillors are encouraged to seek advice from their Clerk, who may refer matters to the Monitoring Officer.

Standards of councillor conduct

This section sets out your obligations, which are the minimum standards of conduct required of you as a councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.

Guidance is included to help explain the reasons for the obligations and how they should be followed.

General Conduct

1. Respect

As a councillor:

- 1.1 I treat other councillors and members of the public with respect.
- 1.2 I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in councillors.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider or the police. This also applies to fellow councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's councillor-officer protocol.

2. Bullying, harassment and discrimination

As a councillor:

- 2.1 I do not bully any person.
- 2.2 I do not harass any person.
- 2.3 I promote equalities and do not discriminate unlawfully against any person.

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in virtual meetings, emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

3. Impartiality of officers of the council

As a councillor:

- 3.1 I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4. Confidentiality and access to information

As a councillor:

- 4.1 I do not disclose information:
- a. given to me in confidence by anyone
 - b. acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless
 - i. I have received the consent of a person authorised to give it;
 - ii. I am required by law to do so;
 - iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or
 - iv. the disclosure is:
 - 1. reasonable and in the public interest; and
 - 2. made in good faith and in compliance with the reasonable requirements of the local authority; and
 - 3. I have consulted the Monitoring Officer prior to its release.
- 4.2 I do not improperly use knowledge gained solely as a result of my role as a councillor for the advancement of myself, my friends, my family members, my employer or my business interests.
- 4.3 I do not prevent anyone from getting information that they are entitled to by law.

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

5. Disrepute

As a councillor:

5.1 I do not bring my role or local authority into disrepute.

As a councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other councillors and/or your local authority and may lower the public's confidence in your or your local authority's ability to discharge your/it's functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.

You are able to hold the local authority and fellow councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

6. Use of position

As a councillor:

6.1 I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

Your position as a member of the local authority provides you with certain opportunities, responsibilities and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

7. Use of local authority resources and facilities

As a councillor:

7.1 I do not misuse council resources.

7.2 I will, when using the resources of the local authority or authorising their use by others:

- a. act in accordance with the local authority's requirements; and
- b. ensure that such resources are not used for political purposes.

You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a councillor.

Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport
- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

8. Complying with the Code of Conduct

As a Councillor:

8.1 I undertake Code of Conduct training provided by my local authority.

8.2 I cooperate with any Code of Conduct investigation and/or determination.

8.3 I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.

8.4 I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.

It is extremely important for you as a councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

Protecting your reputation and the reputation of the local authority

9. Interests

As a councillor:

9.1 I register and disclose my interests.

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority.

You need to register your interests so that the public, local authority employees and fellow councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity

of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in Table 1, is a criminal offence under the Localism Act 2011.

Appendix B sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Monitoring Officer.

10. Gifts and hospitality

As a councillor:

- 10.1 I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.
- 10.2 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its receipt.
- 10.3 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 that I have been offered but have refused to accept.

In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a councillor. If you are unsure, do contact your Monitoring Officer for guidance.

Appendices

Appendix A – The Seven Principles of Public Life

The principles are:

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Appendix B

Registering interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in "The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012". You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registrable Interests)**.

"Disclosable pecuniary interest" means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

"Partner" means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A 'sensitive interest' is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
3. Where you have a 'sensitive interest' you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room/meeting unless you have been granted a dispensation. In addition, you may speak on the matter only if members of the public are also allowed to speak and having spoken you must leave the room/meeting. If it is a 'sensitive interest', you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.
5. Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as an Executive member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it

Disclosure of Other Registrable Interests

6. Where a matter arises at a meeting which **directly relates** to one of your Other Registrable Interests (as set out in Table 2), you must disclose the interest. If you have such an interest you must consider whether a reasonable member of the public, knowing all the facts, would think the interest such that it may influence the way you vote. If the ordinary person would think that the interest may influence your vote then you should not participate in the matter. In these

circumstances you may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter. If it is a 'sensitive interest', you do not have to disclose the nature of the interest

Disclosure of Non- Registrable Interests

7. Where a matter arises at a meeting which **directly relates** to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.
8. Where a matter arises at a meeting which **affects**—
 - a. your own financial interest or well-being;
 - b. a financial interest or well-being of a friend, relative, close associate; or
 - c. a financial interest or wellbeing of a body included under Other Registrable Interests set out in Table 1

you must disclose the interest. In order to determine whether you may participate in the meeting after disclosing your interest the following test should be applied:

9. Where a matter **affects** your financial interest or well-being so that a reasonable member of the public knowing all the facts would believe that it may affect your view of the wider public interest you may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

10. Where you have a personal interest in any business of your authority and you have made an executive decision in relation to that business, you must make sure that any written statement of that decision records the existence and nature of your interest.

Code and Protocol

Protocol on Shadow Member/Officer Relations

Introduction

- 1.1 The purpose of this Protocol is to guide Shadow Members and Officers of the Shadow Authority in their relations with one another.
- 1.2 Given the variety and complexity of such relations, this Protocol does not seek to be either prescriptive or comprehensive. It seeks simply to offer guidance on some of the issues which most commonly arise. It is hoped however that the approach which it adopts to these issues will serve as a guide to dealing with other issues.
- 1.3 This Protocol also seeks to reflect the principles underlying the respective Codes of Conduct which apply to Shadow Members and Officers. The shared object of these codes is to enhance and maintain the integrity (real and perceived) of local government and they therefore demand very high standards of personal conduct.
- 1.4 It is important that any dealings between Shadow Members and Officers should observe reasonable standards of courtesy and that neither party should seek to take unfair advantage of their position.
- 1.5 In their dealings with one another Members and Officers should bear in mind the seven Nolan principles of public life:
 - Selflessness
 - Integrity
 - Objectivity
 - Accountability
 - Openness
 - Honesty
 - Leadership
- 1.6. The Standards Committee shall maintain oversight of this protocol as part of its work programme.

The Roles of Shadow Members and Officers

- 2.1 Both Shadow Members and Officers are servants of the public and they are indispensable to one another. However, their responsibilities are distinct.
- 2.2 Mutual respect between Shadow Members and Officers is essential to good local government. The best service will be provided to local people by Members and staff working as one team. Effective working relationships between Members and staff must be based on trust and mutual respect.
- 2.3. Both Members and staff have a duty to act in accordance with the Authority's ethical standards as set out in the adopted codes of conduct.

Shadow Members

2.4.1 Shadow Members are responsible to the electorate and serve only so long as their term of office lasts.

2.4.2 Shadow Members have some main areas of responsibility as follows:

- (a) Determining the policy of the Shadow Authority and giving it political leadership.
- (b) Monitoring and reviewing the performance of the Shadow Authority.
- (c) Representing the Shadow Authority externally.
- (d) Acting as advocates on behalf of their constituents. It is not the role of Shadow Members to involve themselves in the day to day management of the Shadow Authority.

Officers

2.5.1 Officers are responsible to the Shadow Authority. Officers are professional staff and together have expertise covering a wide range of areas. Their job is to give advice to Shadow Members and the Shadow Authority, and to carry out the Shadow Authority's work under the direction and control of the Shadow Authority, its Committees and Sub-Committees. Officers work to the instructions of Senior Officers and not to individual Shadow Members, whatever office the Member may hold.

2.5.2 The role of Officers is to give advice and information to Shadow Members and to implement the policies determined by the Shadow Authority. In giving such advice to Shadow Members, and in preparing and presenting reports, it is the responsibility of the Officer to express his/her own professional views and recommendations. Whilst an Officer may report the views of individual Shadow Members on an issue, if the Shadow Member wishes to express a contrary view they should not seek to pressure the Officer to make a recommendation contrary to the Officer's professional view.

2.5.3. The political impartiality of staff must be maintained and no member of staff shall be asked to work in such a way that they support any political group or movement, except for those officers appointed specifically as administrative support to a particular political group represented on the Authority. See also paragraph 5 below.

2.5.4. Certain officers e.g. Head of Paid Service, Monitoring Officer, Chief Finance Officer (Section 151 Officer) have responsibilities in law over and above their obligations to the authority and to individual Shadow Members. Shadow Members must respect these obligations, must not obstruct Officers in the discharge of these responsibilities and must not victimise Officers for discharging these responsibilities.

Expectations

2.6.1 Shadow Members can expect the following from Officers:

- (a) A commitment to the Shadow Authority as a whole, and not to any political group.

- (b) A working partnership.
- (c) An understanding by Officers that all Shadow Members have the same rights and obligations in their relationship with Officers and will be treated equally.
- (d) An understanding of and support for respective roles, workloads and pressures.
- (d) Timely response to enquiries and complaints.
- (e) Professional advice, not influenced by political views or preference.
- (f) Regular, up-to-date information on matters that can reasonably be considered appropriate and relevant to their needs, having regard to any individual responsibilities that they have and positions that they hold.
- (g) Awareness of and sensitivity and confidentiality in the political environment.
- (h) Respect, dignity and courtesy.
- (i) Training and development in order to carry out their role effectively.
- (j) Integrity, mutual support and appropriate confidentiality.
- (k) That Officers will not use their relationship with Shadow Members to advance their personal interests or to influence decisions improperly.
- (l) That Officers will at all times comply with the relevant Code of Conduct.
- (m) Not to be the subject of bullying or to be put under undue pressure.

2.6.2 Officers can expect the following from Shadow Members:

- (a) A working partnership.
- (b) An understanding of and support for respective roles, workloads and pressures (and in this regard Shadow Members are encouraged to make prior appointments to see Officers).
- (c) Political leadership and direction.
- (d) Respect, dignity and courtesy.
- (e) Respect for their professional advice.
- (f) Integrity, mutual support and appropriate confidentiality.
- (g) Not to be the subject of bullying or to be put under undue pressure.
- (h) That regard will be had by Shadow Members to the seniority of Officers in determining the reasonableness of requests and that Shadow Members will be mindful of the potential vulnerability of Officers at junior levels.

- (i) That Shadow Members will be aware that Officers cannot respond to personal criticism in the same way that Shadow Members can and that Shadow Members will make their comments accordingly, and will avoid intimidating Officers.
- (j) That Shadow Members will not use their position or relationship with Officers to advance their personal interests or those of others, or to influence decisions improperly.
- (k) That Shadow Members will at all times comply with the Westmorland and Furness Shadow Members' Code of Conduct.

Limitations upon Behaviour

2.7.1 The distinct roles of Shadow Members and Officers necessarily impose limitations upon behaviour. By way of illustration, and not as an exclusive list:

- (a) Close personal familiarity between Shadow Members and Officers can confuse these separate roles. It can get in the way of the proper discharge of the Shadow Authority's functions, not least in creating the perception in others that a particular Shadow Member or Officer may secure advantageous treatment. It can also prove embarrassing to other Shadow Members and Officers.
- (b) The need to maintain the separate roles means that there are limits to the matters on which Shadow Members may seek the advice of Officers, both in relation to personal matters and party political issues.
- (c) Relationships with a particular individual or party group should not be such as to create public suspicion that an Officer favours that Shadow Member or group above others. The issue of Officer advice to party political groups is specifically covered below.

Executive Arrangements

- 3.1 The Shadow Authority has established a Shadow Executive which is the Shadow Authority's principal decision-making body.
- 3.2 Certain points must be clearly understood by Officers and Shadow Members:
 - (a) The Shadow Executive is the decision making body within the policy framework and budget set by the full Shadow Authority.
 - (b) The Shadow Executive takes most but not all the decisions. Some decisions are still taken by other committees or the Shadow Authority itself or by Officers.
 - (c) Meetings of the Shadow Executive are open to the public, except where confidential matters are to be discussed. Minutes of meetings will be available for public inspection.
- 3.3 The Shadow Authority has also established an Overview and Scrutiny Committee to scrutinise the work of the Shadow Executive Committee. Officers and Shadow Members must recognise, when giving information and advice to the Overview and Scrutiny Committee, that Officers are responsible to the Shadow Authority as a whole.

Officer advice to Party Groups

- 4.1 There is statutory recognition of party groups. In accordance with common practice, such groups may give preliminary consideration to matters of Shadow Authority business in advance of such matters being considered by the relevant Shadow Authority decision-making body. Officers may properly be called upon to support such deliberations by party groups.
- 4.2 The support provided by Officers can take many forms, ranging from a briefing meeting with a Chairperson or Spokesperson prior to a Committee meeting, to a presentation to a full party group meeting. Whilst in practice such Officer support is likely to be in most demand from whichever party group is for the time being in control of the Shadow Authority, such support is available to all party groups.
- 4.3 Certain points must however be clearly understood by all those participating in this type of process, Shadow Members and Officers alike. In particular:
 - (a) Officer support in these circumstances must not extend beyond providing information and advice in relation to matters of Shadow Authority business. Officers must not be involved in advising on matters of party business. The observance of this distinction will be assisted if Officers are not expected to be present at meetings, or parts of meetings, when matters of party business are to be discussed.
 - (b) Although party group meetings may form part of the preliminaries to Shadow Authority decision making, they are not empowered to make decisions on behalf of the Shadow Authority. Conclusions reached at such meetings do not thereafter rank as Shadow Authority decisions and it is essential that they are not interpreted or acted upon as such.
 - (c) Similarly, where Officers provide information and advice to a party group meeting in relation to a matter of Shadow Authority business, this cannot act as a substitute for providing all necessary information and advice to the relevant Shadow Authority meeting, Committee or Sub-Committee when the matter in question is considered.
- 4.4 Special care needs to be exercised whenever Officers are involved in providing information and advice to a party group meeting which includes persons who are not members of the Shadow Authority. Such persons will not be bound by the Code of Conduct for Shadow Members (in particular, the provisions concerning the declaration of interests and confidentiality). For this and other reasons Officers may not be able to provide the same level of information and advice as they would to a Shadow Members only meeting.
- 4.5 If there are individuals present at a party group meeting (see 4.4 above) who are not members of the shadow authority and are not therefore bound by this code, the meeting organiser shall make clear to the Officer(s) concerned.
- 4.6 Officers must respect the confidentiality of any party group discussions at which they are present in the sense that they should not relay the content of any such discussion to another party group or anyone outside that group.
- 4.7 Any particular cases of difficulty or uncertainty concerning Officer support to party groups, should be raised with the Chief Executive who will discuss the matter with the relevant group leader(s).

Shadow Members' access to information and to Shadow Authority documents

5.1 Shadow Members are free to approach any officer of the Shadow Authority to provide them with such information, explanation and advice as they may reasonably need in order to assist them in discharging their role as members of the Shadow Authority. This can range from a request for general information about some aspect of the work of the Shadow Authority to a request for specific information on behalf of a constituent. Such approaches should be directed to the relevant Chief Officer or Head of Service in the first instance. .

5.2 As regards the legal rights of Shadow Members to inspect Shadow Authority documents, these are covered partly by statute and partly by the common law.

5.3 Shadow Members have a statutory right to inspect any Shadow Authority document which contains material relating to any business which is to be transacted at a Shadow Authority, Committee or Sub-committee meeting.

This right applies irrespective of whether the Shadow Member is a member of the Committee or Sub-Committee concerned and extends not only to reports which are to be submitted to the meeting, but also to any relevant background papers.

This right does not however apply to documents relating to certain items which may appear on the private agenda for meetings. The type of information that would be contained within a private meeting agenda would for example be exempt information, such as information relating to employees, contract and industrial relations negotiations, legal advice and criminal investigations.

5.4 The common law right of Shadow Members is much broader and is based on the principle that any Shadow Member has a prima facie right to inspect Shadow Authority documents so far as access to the documents is reasonably necessary to enable the Shadow Member properly to perform their duties as a member of the Shadow Authority. This principle is commonly referred to as the "need to know" principle.

5.5 The exercise of this common law right depends therefore upon the Shadow Member's ability to demonstrate that they have the necessary "need to know". In this respect a Shadow Member has no right to "a roving commission" to go and examine documents of the Shadow Authority. Mere curiosity is not sufficient. The crucial question is the determination of the "need to know". This question must initially be determined by the relevant Chief Officer with advice from Monitoring Officer. In the event of a dispute, the question falls to be determined by the Chief Executive, having consulted with an Independent Person appointed pursuant to the Localism Act.

5.6 In most circumstances (e.g. a Committee member wishing to inspect documents relating to the functions of that Committee) a Shadow Member's "need to know" will normally be presumed. In other circumstances (e.g. a member wishing to inspect documents which contain personal information about third parties) a Shadow Member will normally be expected to justify the request in specific terms.

5.7 Whilst the term "Shadow Authority document" is very broad and includes, for example, any document produced with Shadow Authority resources, it is accepted by convention that a member of one party group will not have a "need to know", and therefore a right

to inspect, a document which forms part of the internal workings of another party group. This does not apply to documents in draft.

5.8 Further and more detailed advice regarding Shadow Members' rights to inspect Shadow Authority documents may be obtained from the Monitoring Officer.

5.9 Finally, any Shadow Authority information provided to a Shadow Member must only be used by the Shadow Member for the purpose for which it was provided i.e. in connection with the proper performance of the Shadow Member's duties as a member of the Shadow Authority.

Officer/Chairperson/Member of the Shadow Executive Relationships

6.1 It is clearly important that there should be a close working relationship between Members of the Shadow Executive, Chairs of Committees, and relevant senior Officers. However, such Shadow Members must still respect the impartiality of Officers and such relationships should never be allowed to become so close, or appear to be so close, as to bring into question the Officers' ability to deal impartially with other Shadow Members and other party groups.

6.2 Whilst the Leader, Chair of a Committee (or Sub-Committee) or a Shadow Executive Member will routinely be consulted as part of the process of drawing up the agenda for a forthcoming meeting, it must be recognised that in some situations statutory Chief Officers and other senior Officers will be under a duty to submit a report on a particular matter. An Officer will always be fully responsible for the contents of any report submitted in his/her name. Any issues arising between a Chair or a Cabinet Member and an Officer in this area should be referred to the Chief Executive for resolution.

6.3 Finally, it must be remembered that Officers are accountable to their Chief Officer and that whilst Officers should always seek to assist a Chair or a Shadow Executive Member (or indeed any Shadow Member), they must not, in so doing, go beyond the bounds of whatever authority they have been given by their Chief Officer or in the case of Officers exercising delegated powers, the Shadow Authority.

Correspondence

7.1 Correspondence between an individual Shadow Member and an Officer should not normally be copied (by the Officer) to any other Shadow Member. Where exceptionally it is necessary to copy the correspondence to another Shadow Member, this should be made clear to the original Shadow Member. In other words, a system of "silent copies" should not be employed.

7.2 Official letters on behalf of the Shadow Authority should normally be sent out in the name of the appropriate Officer, rather than in the name of a Shadow Member. It may be appropriate in certain circumstances (e.g. representations to a Government Minister or where a specific delegation applies) for a letter to be sent in the name of a Shadow Member, but this should be the exception rather than the norm. Letters which, for example, create obligations or give instructions on behalf of the Shadow Authority should not normally be sent out in the name of a Shadow Member.

Public Relations

- 8.1 Both Officers and Shadow Members should follow the Code of Recommended Practice on Local Authority Publicity particularly when issuing press releases.

Code and Protocol

Politically Restricted Posts - Westmorland and Furness Shadow Authority

The main provisions regarding Politically Restricted Posts are set out in Part 1 of the Local Government and Housing Act 1989. Further details were set out in the Local Government (Political Restrictions) Regulations 1990.

The effect of including a local authority employee on the list of “politically restricted posts” is to prevent that individual from having any active political role either in or outside the workplace. Politically restricted employees will automatically be disqualified from standing for or holding elected office and these restrictions are incorporated as terms in the employee’s contract of employment.

Employees are also restricted from:-

- Canvassing on behalf of a political party or a person who is or seeks to be a candidate; and
- Speaking to the public at large or publishing any written or artistic work that could give the impression that they are advocating support for a political party.

The cumulative effect of these restrictions is to limit the holders of Politically Restricted Posts to bare membership of political parties, with no active participation within the party permitted.

Each local authority is under a duty to draw-up and regularly update a list of those posts which are politically restricted.

The Local Democracy, Economic Development and Construction Act 2009 modified the previous scheme.

With effect from 12 January 2010 politically restricted posts fall into two broad categories: specified posts and “sensitive” posts.

Specified posts

Specified posts include:-

- The Head of Paid Service
- The statutory chief officers
- Non-statutory chief officers (officers reporting to the Head of Paid Service excluding secretarial/clerical support staff)
- The Monitoring Officer
- Officers exercising delegated powers i.e. persons whose posts are for the time being specified by the authority in a list maintained in accordance with s.100G(2) of the Local Government Act 1972
- Assistants to political groups

All of the above-mentioned posts are politically restricted without rights of appeal for exemption to the local authority’s Standards Committee.

“Sensitive” posts

A sensitive post is one which meets one or both of the following duties-related criteria:-

- Giving advice on a regular basis to the authority itself, to any committee or sub-committee of the authority or to any joint committee on which the authority is represented; and
- Speaking on behalf of the authority on a regular basis to journalists or broadcasters.

These postholders can appeal to the local Standards Committee to be exempted from the list, on the grounds that the authority has wrongly applied the criteria.

The right of appeal to the local Standards Committee was introduced under the Local Government and Public Involvement in Health Act 2007.

Appeal Process

Employees included on the list compiled by the local authority on duties-related grounds (“sensitive” posts) can appeal against their inclusion, if they feel that they cannot influence policy, or that the local authority has incorrectly applied the duties-related criteria.

All such appeals require a letter from the applicant formally seeking exemption and a full job description of the post.

The letter should be submitted to the authority’s local Monitoring Officer (or his/her Deputy) with a copy lodged with the authority’s Human Resources Service.

The local Monitoring Officer (or their Deputy) will ensure that the appeal is tabled at a special meeting of a Panel of 3 Standards Committee members; membership of the Panel shall be drawn from the full or substitute membership of the local Standards Committee.

The applicant shall have the right to address the Panel when they are determining the appeal and submit any written testimony or evidence ahead of the meeting. Any written documentation must be provided to the local Monitoring Officer at least 5 working days prior to the Panel meeting for distribution to Panel members.

The Panel shall determine the appeal. The outcome of the appeal shall be communicated in writing to the applicant within 5 working days of the determination.

If the appeal is unsuccessful the applicant may not lodge a further appeal within a period of 12 calendar months unless their substantive job description has been amended significantly in the interim.

If the appeal is successful the authority shall immediately remove the post from the designated “sensitive” post list. The authority may not re-instate the post on the list unless there is a significant amendment to the substantive job description of the post.
