

# **Notice of Executive Key Decisions**

**Incorporating the Private Executive Meeting Notice and the Notice of Intention to make Key Decisions**

**2022 / 2023**

**Notices required by the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012**

There is a legal requirement for local authorities to publish a notice setting out the Key Executive Decisions that will be taken by the appropriate decision maker at least 28 clear days before such decisions are to be taken. This document sets out the Key Executive Decisions which are intended to be taken at Eden District Council, and as such incorporates the Notice of Intention to make Key Decision. Whilst this document provides details of known decisions for the following month, where details of decisions to be made after this period are known, they are provided for information.

The plans also sets out where, if at all, it is anticipated that part of an Executive meeting will be held in private. This is where confidential or exempt information (as defined in the Constitution) is likely to be made known. Notice is hereby given that it may be necessary for part of an Executive meeting to be held in private because it becomes apparent at the meeting that confidential or exempt information will otherwise be made known. Should this become apparent at the meeting the relevant part of the meeting will only be held in private upon the passing of a resolution which (where exempt information will be made known) defines the description of exempt information pursuant to Schedule 12A of the Local Government Act 1972.

The document will be updated and rolled forward on a monthly basis. The summary shows the decisions programmed to be taken during each month. The earliest date a decision can be taken is shown, but it is possible that a decision may be rescheduled to a later month. Also included are decisions scheduled for later in the year.

If a key decision is not included in the published Work Programme for 28 clear days before a decision needs to be taken the Chairman of the Overview and Scrutiny Committee must be notified and a supplement to the document published at least 5 clear days before the date on which the decision is proposed to be taken. If the date by which the decision has to be made makes compliance with this requirement impracticable the decision can only be made with the consent of the Chairman of the Overview and Scrutiny Committee who must be satisfied that the making of the decision is urgent and cannot reasonably be deferred.

If it is necessary to discuss an issue in private and 28 days' notice has not been given the decision may only be taken or the item discussed in private with the agreement of the Chairman of the Overview and Scrutiny Committee who must be satisfied that the need for the item to be taken to the meeting is urgent and cannot reasonably be deferred.
